the idea that you could be more but got in your own way should wake you up in the middle of the night dave hollis used to think that

personal growth was just for broken people then he woke up when a looming career funk a growing drinking problem and a challenging trek through therapy battered dave hollis a disney executive and father of four he began to realize he was letting untruths about himself dictate his life as he sank to the bottom of his valley he had to make a choice would he push himself out of his comfort zone to become the best man he was capable of being or would he play it safe and settle for mediocrity in get out of your own way dave tackles topics he once found it difficult to be honest about things like his struggles with alcohol and his insecurities about being a dad offering encouragement challenges and a hundred moments to laugh dave will help you discover the way for those of us who are like he was skeptical of self help but wanting something more than the status quo drop negative ideas about who we are supposed to be and finally start living as who we really are see our own journeys more clearly as he unpacks the lies he once believed such as i have to have it all together and failure means you re weak learn the tools that helped him change his life and may change your life too get out of your own way is a call to arms for anyone who s interested in a more fulfilled life who along the way may have lost their why and now wonders how to unlock their potential or be better for their loved ones

alan hester s insightful statement will ring bells with many people so many of us will regularly and repeatedly stop ourselves from doing what we most want to do we will get in our own way we may compare ourselves with more successful people and look for unfair advantages that they have and we don t we may bemoan our luck or be plagued by any number of common conditions such as starting something and not finishing it making bad decisions or no decision at all we may lack self belief and think we don t deserve success that we may be ridiculed or judged that there is no point in even trying or feel uncomfortable trying these are just a few of the ways in which through fear ego and lack of confidence we get in our own way the author s argument is that although we may not be able to control

certain events in our life we can control our response to those events and thereby decide the outcome he has written this book so we can learn how to get out of our own way and become our own best adviser motivator and friend
