the compassionate and compelling true story of a young nurse who left behind an idyllic rural life in post war britain to work in the world s most turbulent war zones anne watts grew up in a small village in north wales in the 1940s defying her merchant navy father s dated views she trained as a nurse and midwife joined the save the children fund and was posted to vietnam in 1967 once there anne was faced with a vision of hell that her training at manchester s royal infirmary had barely prepared her for thrown in at the deep end she witnessed the random cruelty of warfare nursing injured and orphaned children and caring for wounded and dying servicemen she went on to take her skills to the victims of pol pot s khmer rouge in cambodia to lebanon during the israeli occupation and saudi arabia during desert storm over some forty five years anne has brought her courage and compassion to those most in need of help woven into this vivid compelling memoir is perhaps the most moving story of all how anne s idyllic childhood was shattered by a shocking family tragedy when she was 10 years old a tragedy that was to shape her destiny a magnificent life story i feel humbled by anne watts experiences jennifer worth author of call the midwife

contains over three hundred alphabetically arranged entries that examine the impact of war on young people around the world at different times in history from the thirty years war 1618 1648 through the late twentieth century

this recently discovered memoir gives an intimate glimpse into the great war service of beatrice hopkinson a territorial forces nursing service sister who remained steadfastly and true to her profession as she nursed through shot and shell dr vivien newman s meticulously researched introduction brings beatrice s world out of the shadows juxtaposing her war service against the background of the army nursing service where dedicated professional nurses worked closer to the front line than women could have ever previously imagined doing beatrice was selected for the most onerous type of duty in the bitterest phase of the war she had arrived in st omer in the

summer of 1917 when the town was being continuously bombed with her hospital under nightly attack beatrice simply got on with the job she had come to france to do saving the lives and easing the dying of soldiers on the western front for beatrice spring 1918 was marked by a sea of blood caught up in the british army's headlong retreat when hospitals and patients risked being captured by the enemy she and her rapid response team were rushed between several casualty clearing stations in france and belgium they operated on thousands of soldiers wounded in germany's final attempt to win the war as the fortunes of war finally turned in the allies favor beatrice advanced through belgium a land destroyed by war and enemy occupation this diary gives rare insight into the realities of front line nursing through the eyes of someone who had never anticipated working for the army but who when her country called willingly and steadfastly answered

drawing on more than 100 interviews vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service vuic also explores the gender issues that arose when a male dominated army actively recruited and employed the services of 5 000 women nurses in the midst of a growing feminist movement and a changing nursing profession women drawn to the army's patriotic promise faced disturbing realities in the virtually all male hospitals of south vietnam men who joined the nurse corps ran headlong into the army's belief that women should nurse and men should fight

negotiating nursing explores how the queen alexandra's imperial military nursing service q a s salvaged their soldier patients within the sensitive gender negotiations of what should and could constitute nursing work and where that work could occur the book argues that the q a s an entirely female force during the second world war were essential to recovering men from the battlefield and for the war despite concerns about women's presence on the frontline using personal testimony the book maps the developments in nurses work as they created a legitimate space for themselves in war zones and established their position as the expert at the bedside yet despite the acknowledgement of nurses vital role in the medical service their position was gendered as the women of britain were returned to the home post war it was the military nurses womanhood that stymied their considerable skills from being transferred to the new welfare state an electronic edition of this book is freely available under a creative commons cc by nc nd licence
