wayne brockriede s contribution to studies of argumentation continues to influence contemporary research perspectives on argumentation identifies the pertinent theories and contemporary applications on which students can build their own skills of reasoning and can understand the argument practices of others book jacket

in ideological perspectives on canada patricia marchak builds on her earlier descriptions of canadian reality its liberalism and socialism to argue that today s corporatism differs from its forerunners in both its values and its definition of society marchak argues that liberalism and socialism have many commonalities such as the

goals of equality and freedom for citizens corporatism however is opposed to equality and promotes an authoritarian hierarchy resembling the older conservative ideology to support her argument marchak provides a general overview of the study of ideologies analyzes liberalism and socialism in the context of canada and uses marxist theory to explain past and present class structure and the emergence of a corporatist social structure a valuable contribution to the debate about the society we live in ideological perspectives on canada attempts to look at ideologies from an objective standpoint while admitting that analysts can never fully remove themselves from the web of their own society which in the canadian case is steeped in liberalism socialism and corporatism

volume one examines how an immense diversity of ethnic and religious groups ultimately created a set of distinct regional societies volume two emphasizes the flux uncertainty and unpredictability of the expansion into continental america showing how a multitude of individuals confronted complex and problematic issues

first published in 1993 first nations race class and gender relations remains unique in offering systematically from a political economy perspective an analysis that enables us to understand the diverse realities of aboriginal people within changing canadian and global contexts the book provides an extended analysis of how changing social dynamics organized particularly around race class and gender relations have shaped the life chances and conditions for aboriginal people within the structure of canadian society and its major institutional forms the authors conclude that prospects for first nations and aboriginal people remain uncertain insofar as they are grounded in contradictory social economic and cultural and political realities

statistics on and insights into social trends in canada

a radical departure from previous chronicles of education for people with disabilities this book views special education from a broader perspective its central thesis is that cultural values and expectations play a dominant role in understanding the structure and function of special education while theories of the social construction of disability have been written about in a growing body of research since the 1960s no attempt has been made to create a cross cultural framework this work offers such a framework eight chapters written by educators in each country's educational system cover the following nations china great britain hungary japan iran pakistan united states and zimbabwe historical discussions in each chapter provide a context for current practice an index and illustrations are also included

contributed papers of two seminars organized by the centre for canadian studies university of delhi 1994

this volume consists of a series of seventeen essays examining the future of higher education especially as impacted by the rapid advance and pervasive presence of digital resources there can be little disagreement that information communication and instructional technologies are already having a significant impact on schools and

colleges and what is occurring today will have a profound influence not only on educational structures in the future but also on teaching and learning processes as a consequence all stakeholders in the educational enterprise will be affected the 26 authors and co authors represented within all of whom are recognized scholars and practitioners in the field of distance education attempt here to pose relevant questions and provide thoughtful and sometimes provocative responses these contributors write from diverse perspectives representing several countries and continents as well as varied organizational and cultural settings offering both micro and macro views on the topics they address

in perspectives on canadian federalism r d olling and m w westmacott have assembled a stimulating collection of studies that examine the unique features of canadian federalism a mix of classic writings recent articles and specially commissioned essays this volume devotes particular attention to the controversial institutional and procedural changes that have occurred during the 1970s and 1980s back cover

international perspectives on intercultural education offers a comprehensive analysis of intercultural education activity as it is practiced in the countries of australia new zealand malaysia the netherlands romania spain england south africa ghana nigeria the united states canada and mexico chapters by key scholars and practitioners from these nations inform the reader of current educational practice related to diversity each author responding to a common series of guiding questions presents a brief description of the national educational system in her or his country descriptive data on demographics in these countries including data on various subgroups and subcultures and their experiences with the mainstream educational system a discussion of the perceived obstacles to addressing intercultural issues in schools and solutions to overcoming these obstacles and a comprehensive analysis of intercultural information on how teacher preparation institutions address intercultural education at the present time an overall concern of each chapter author is how intercultural approaches can be employed to solve the difficulties faced by both individuals and schools while maintaining the cultural integrity of the child
