professor zigarelli shows how to influence others for good by adopting the same methods of persuasion that jesus exemplified during his life and ministry

real worship begins with an honest relationship with god using 15 biblical principles this resource lays out god's blueprint for knowing and loving him

according to author rich brott nothing happens in the economy of god until you give something away it is a universal law of god giving is the trigger for god's financial miracles when you give to the kingdom of god it will be given back to you we must do so in complete confidence that our god will not only meet our needs but allow us to have plenty left over so that we can joyfully share it with others when it comes to personal possessions money and wealth you cannot take it with you but you can send it on ahead bottom line is this what you keep you will lose but what you give away you will gain when you become a faithful tither and a generous giver you become an individual whom god can bless

enjoying financial security in today's world takes more than simply earning a good living some people who have made extraordinary incomes for many years are in terrible

financial shape and are not prepared for today let alone their future author rich brott explains that it is essential to make decisions that will help you manage your resources if you are ever going to be financially secure the problem is not our income but our spending many waste much of their hard earned money on the small and unimportant things don't fall into wasteful patterns of living make a decision now to be different to live differently you can get started on the road to financial freedom by putting the following 5 simple keys into practice immediately key 1 stop spending on yourself key 2 control your cash key 3 live below your means key 4 save for your future key 5 give to others

since the beginning of time small business has played an important role in all societies and cultures it has been a vital part of community as craftsmen laborers manufacturers buyers and sellers exchange wares and talents from ancient times to modern times people have lived their lives centered around crafting something of value to use at home and to sell outside of their home economies have been perpetuated as they centered around commercial activities and commerce from ancient greece and ethiopia to ancient india the ingenuity of humans beings and their ability to design craft manufacturer and harvest have kept countries and kingdoms with food on the table this has allowed cities nations and kingdoms to prosper economic entrepreneurship has a history of success in every area of the world it has sustained families cities and nations as it has created employment opportunities and economic growth

think of time as your personal resource and you will be more likely to use it wisely

in simple and easy to understand language author rich brott explains that financially you must live below your means if you have been living above your means you are already in serious debt with no hope of becoming debt free unless you quickly change your financial habits if you have been living within your means you may be debt free but you have little or no savings or investments to carry you through your retirement what you must begin to do is live below your means the book will show you how to do just that once you've accomplished the basics of getting out of debt staying out of debt and continuing to live below your means then the next big hurdle is to set financial goals that will keep you invested in simple well diversified conservative investment vehicles the only way to reach a financial goal is to work at it the most important step in reaching that goal is to develop a plan to achieve it that's why it is so important to plan ahead for your retirement and your financial future while the idea of planning ahead and building a solid financial strategy for success can sometimes be intimidating and overwhelming once you get started it will become easier with a little planning and a better understanding of what your investment options are you too can successfully manage your money and pursue your financial goals

author rich brott notes six themes that are mutually dependent upon each other each of which represent a necessary requirement for a successful business they are knowledge experience ability opportunity capital and commitment when it comes to business failures the stats are not pretty within the first year of operation over 50 of businesses fail extend the time period to five years and the statistics become even worse in that time period over 95 of all businesses fail from the beginning business is risky and chances of success poor but you can significantly improve your chances of success with good insight preparation and planning the author notes that in this book he wants to help you in the area of establishing your business and will do so by leading you step by step through these critical areas

a proper attitude and approach to your financial affairs is not only exemplary but also necessary in this book you will find 10 life changing attitudes that will make you a financial

success they are the i can attitudes not only are they life changing but also very attainable with the right guidance you can become debt free with the proper attitude you can break bad spending habits with enough self discipline you can pay cash instead of using credit you can renew your thinking change your flawed value system and rise above your burden of debt if you are financially accountable you can enjoy life without spending massive amounts of money author rich brott wants to help you discover financial solutions and change your improper attitudes so that you can change your life
