this book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with god this truth comes down through the entire history of the christian faith as well as in the bible yet there is very little teaching or promotion of this truth in organized religion this lack of a presentation of the message of god as our father results in a corresponding lack of power and freedom for effective daily living in the christian community sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with god is even possible this is even sadder when we consider the bible is very clear on this point the bible tells us that a personal relationship with god as our father is not only possible but this relationship is god s greatest desire for us it is bill landon s hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living for those who wish to explore the possibilities of a greater peace and fullness in their living this book
