this resource is for grade 5 and aligns to the international reading association ira and national council of teachers of english ncte standard 3 4 5 6 7 and 12 speaking and writing are probably the most important skills we learn in school and

use in life yet writing is the skill that students are failing to grasp at alarming rates study after study conclude that writing abilities fall short of the demands of the communication age in which we live and work steps to good writing simplified is a great resource for educators who are searching for materials that will ease the teaching and learning of how to write each theme based lesson leads students through the writing process step by step step 1 what to write this brainstorming activity helps students think about topics they already know and build upon that knowledge step 2 how to write it this activity features a specific writing skill such as writing to describe or writing an opinion step 3 make it better these exercises allow students to review and practice grammar and proofreading concepts step 4 now write this culminating activity provides open ended opportunities for students to actually write applying what was learned in the previous steps steps to good writing simplified is a series that provides structured practice without stifling creativity and enthusiasm its goal is to demystify the writing process so that students reluctance to write is diminished and ultimately eliminated and like any other process based skill writing more means writing better

a six level paired skills series that helps students to think critically and succeed academically the third edition builds on q skills for success question centered approach with even more critical thinking up to date topics and 100 new assessment

skills for effective writing teaches a wide variety of discrete writing skills and offers extensive practice in each one skills for effective writing teaches these skills such as identifying topic sentences and recognizing irrelevant information and offers extensive practice opportunities when students master discrete skills all of their writing improves this allows teachers to focus their time and feedback on the content of student work

this is the first book in a two book series that provides lower level students with a solid foundation in writing skills the book adopts a process approach in which students draw from their personal experience to compose well organized coherent and accurate paragraphs back cover
