launched at the annual commonwealth health ministers meeting chmm the publication provides a guide to current issues in global health for ministers senior officials and other stakeholders reflecting the theme of chmm 2015 commonwealth health partnerships 2015 looks at universal health coverage with a particular focus on health and development challenges in an ageing world content includes expert opinion from ministries of health world health organization and transnational partnerships academic commentary from the lancet schools of medicine public health and governments health systems and resourcing responding to multi morbidity continuity of care dementia social care risk factors the ebola crisis aids and other communicable diseases antimicrobial resistance rights based approaches to health care coverage disabilities palliative care youth and child health a life course approach to healthy ageing the publication also includes extensive health profiles of the 53

commonwealth member countries incorporating the latest data on health systems and population health outcomes

srinagar in the winter of 1989 was an eerie ghost town witnessing the beginnings of a war dance the dam burst the night boys from the separatist jklf group were freed in exchange for the release of rubaiya sayeed the union home minister s daughter as farooq abdullah had predicted the government s caving in emboldened many kashmiris into thinking that azaadi was possible it was a long slow haul to regaining control from then to now a s dulat has had a continuous engagement with kashmir in various capacities the initiatives launched by the vajpayee government in power from 1998 to 2004 were the high point of this constant effort to keep balance in a delicate state in this extraordinary memoir dulat gives a sweeping account of the difficulties successes and near triumphs in the effort to bring back kashmir from the brink he shows the players the politics the strategies and the true intent and sheer ruthlessness of the meddlers from across the border kashmir the vajpayee years paints an unforgettable portrait of politics in india s most beautiful but troubled state

the new york times science bestseller from robert wachter modern healthcare s 1 most influential physician executive in the us while modern medicine produces miracles it also delivers care that is too often unsafe unreliable unsatisfying and impossibly expensive for the past few decades technology has been touted as the cure for all of healthcare s ills but medicine stubbornly resisted computerization until now over the past five years thanks largely to billions of dollars in federal incentives healthcare has finally gone digital yet once clinicians started using computers to actually deliver care it dawned on them that something was deeply wrong why were doctors no longer making eye contact with their patients how could one of america s leading hospitals give a teenager a 39 fold overdose of a common antibiotic despite a state of the art computerized prescribing system how could a recruiting ad for physicians tout the absence of an electronic medical record as a major selling point logically enough we ve pinned the problems on clunky software flawed implementations absurd regulations and bad karma it was all of those things but it was also something far more complicated and far more interesting written with a rare combination of compelling stories and hard hitting analysis by one of the nation s most thoughtful physicians the digital doctor

examines healthcare at the dawn of its computer age it tackles the hard questions from how technology is changing care at the bedside to whether government intervention has been useful or destructive and it does so with clarity insight humor and compassion ultimately it is a hopeful story we need to recognize that computers in healthcare don t simply replace my doctor s scrawl with helvetica 12 writes the author dr robert wachter instead they transform the work the people who do it and their relationships with each other and with patients sure we should have thought of this sooner but it s not too late to get it right this riveting book offers the prescription for getting it right making it essential reading for everyone patient and provider alike who cares about our healthcare system

financial institutions management a risk management approach fourth edition provides an innovative approach that focuses on managing return and risk in modern financial institutions the central theme is that the risks faced by financial institutions managers and the methods and markets through which these risks are managed are becoming increasingly similar whether an institution is chartered as a commercial bank a savings bank an investment bank or an insurance company although the traditional nature of each sector s product activity is analysed a greater emphasis is placed on new areas of activities such as asset securitisation post gfc implications off balance sheet banking and international banking this text takes a global view of the subject with insights from financial institutions across the world including in australia us europe and asia updated with information on the gfc and volatile markets in general financial institutions management 4e offers a well rounded view of the industry including regulatory historical and technological perspectives helen lange s clear and precise writing style provides a detailed yet accessible text suitable for undergraduate and more advanced students of financial institutions management
