invested stayers how teachers thrive in challenging times features chapters co authored by pk 12 teachers and postsecondary teacher educators from across the u s that reflect how they persist remain and thrive in the teaching profession premised on the idea that co authors are colleagues and mentors to each other this book conceptualizes contributors as invested stayers in the education profession chapters feature how particular catalysts or landmark changes in education have been productive sites for growth agency and even resistance across the arc of contributors professional lives the book recognizes that teacher educators and teachers persist because of multiple and overlapping factors between our professional and personal lives including the relationships we develop with each other as colleagues and mentors in our professional learning in the public sphere pk 12 educators increasingly face challenges that limit their ability to initiate their own professional learning in this book we considered what might occur if educators had space and time to write together and reflect on how they ve persisted these authors narrate themselves as invested stayers who invite personal and

professional growth through inquiry creativity and innovation

feminist scholars of motherhood distinguish between mothering and motherhood and argue that the latter is a patriarchal institution that is oppressive to women few scholars however have considered how mothering as a female defined and centred experience may be a site of empowerment for women this collection is the first to do so mother outlaws examines how mothers imagine and implement theories and practices of mothering that are empowering to women central to this inquiry is the recognition that mothers and children benefit when the mother lives her life and practices mothering from a position of agency authority authenticity and autonomy

what do reviewers have to say about media in your life the text's strengths are on the emphasis on media history convergence trends and marketplaces i also appreciate that the text is written at a sophisticated yet appropriate level for college students kim smith iowa state university the material covered is essential to the understanding of the current student in today's media culture jeanne rollberg university of arkansas little rock authors that forget that they are teachers and try too hard to pretend they're the students friends don't do their content justice nor do they model appropriate writing for students to emulate folkerts and lacy don't fall into this trap they present material credibly appropriately and yet readably rebecca lind university of illinois chicago the overall strengths of media in your life are that it is exhaustively researched and attractively presented the broad topic of mass media is effectively structured into an accessible format randall k pugh montana state university billings i the book's emphasis on knowledge students can use in navigating our complex culture is a major strength its organization is logical it is well documented it provides a solid summary of most significant media related issues of the day william lingle linfield college the authors have a good framework to present an overview of the structure and process of mass communication in the u s the text is visually appealing and will attract students interest elizabeth perse university of delaware

there is a deep distrust of experts in america today influenced by populist politics many question or downright ignore the recommendations of scientists scholars and others with specialized training it appears that expertise a critical component of democratic life no longer appeals to wide swaths of the body politic on expertise is a robust defense of the expert class ashley rose mehlenbacher examines modern and ancient theories of expertise through the lens of rhetoric and interviews some forty professionals revealing how they understand their own expertise and how they came to be known as experts she shows that expertise requires not only knowledge and skill but also crucially an acknowledgment by others both specialists and laypeople that one is a credible authority at its heart expertise is a rhetorical construct and to be persuasive experts must have the ability to apply their knowledge and skills rightly in the right way at the right time to achieve the right end ultimately mehlenbacher argues that experts apply their technical knowledge effectively and win others trust through acting prudently and cultivating goodwill timely practical and sophisticated on expertise provides vital scaffolding for our understanding of expertise and its real world application this book is essential for beginning the work of rehabilitating the expert class amid a politics of extreme populism

and anti intellectualism
