in acknowledging the possibility that as the world changes so too does racism this book argues that racism is not disappearing despite claims of living in a post racial and multicultural world to the contrary racisms persist by transforming into different forms whose intent or effects remain the same to deny and disallow as well as to exclude and exploit racisms in a multicultural canada is organized around the assumption that race is not simply a set of categories and that racism is not just a collection of individuals with bad attitudes rather racism is as much a matter of interests as of attitudes of property as of prejudice of structural advantage as of personal failing of whiteness as of the other of discourse as of discrimination and of unequal power relations as of bigotry this multi dimensionality of racism complicates the challenge of formulating anti racism and anti colonialist strategies capable of addressing it employing a critical framework that puts politics and power at the centre of analysis this book focuses on why racisms proliferate how they work in contemporary societies and how the way we think and talk about racism changes over time specifically it examines the working of contemporary racisms in a multicultural canada that claims to abide by principles of multiculturalism and a commitment to a post racial society

the politics of multiculturalism faces challenges in western democratic states arguing that this setback is based on the notion of culture as separate and distinct this book explores how to face current challenges to multiculturalism without reifying culture group and identity

the heart of this study is a detailed narrative account of a teacher in an inner city school for two years the author collaborated with an immigrant teacher from the caribbean studying her practice from three perspectives place the community and school landscape temporality the history of the school and current programs and interaction the teacher s relationship with the school parents and students current ways of examining multicultural issues focus on the analysis of broad factors affecting large groups of people in the process the individual is subsumed within catagories and the subtle nuances of experiences are lost the narrative approach outlined in the book offers a new perspective on multiculturalism and research into multicultural education one the author terms narrative multiculturalism narrative multiculturalism begins with experience as it is shaped by the contexts in which people live and work it is also shaped by broader societal and global forces in this approach multiculturalism is viewed as a fluid process continually evolving changing and transforming narrative multiculturalism develops an in depth understanding of individual experiences and thereby creates an alternate perspective on multiculturalism

new insights into feminist educational leadership analyze the crossing issues of gender school leadership and multicultural experiences as expressed in accounts of female school principals from diverse ethnic and religious groups in the multicultural society of israel education teaching

this insightful volume featuring contributions by luminaries from the fields of political theory and philosophy ancient medieval and modern history sociology anthropology and the creative arts brings to the fore the theoretical and practical ramifications of multiculturalism

the fourteen essays in this volume address the pros and cons of multiculturalism and explore its relationship with liberal democracy

this book examines multicultural awareness training through a three stage developmental sequence as a primary prevention strategy in counseling it attempts to

lead readers to find examples of how multicultural awareness can make their counseling task easier rather than harder and can increase their satisfaction in working with clients from other cultures chapter 1 highlights the three stage model of awareness knowledge skill chapter 2 details some of the rules to follow in a multicultural perspective to stimulate discussion chapter 3 discusses the field of alternative therapies chapter 4 covers the process of developing a cultural identity chapter 5 presents culture as a pattern narrative or story about who we are and where we came from rather than focusing on current research in the field chapter 6 focuses on what is not known about multiculturalism rather than focusing on current research in the field chapter 7 looks at ethical guidelines for counselors chapter 8 looks at how reframing conflict into cultural categories makes conflict easier to manage chapter 9 reviews the triad training model as a promising training approach chapter 10 considers how multiculturalism had a powerful impact on the field of counseling and how this impact is increasing in importance this book also attempts to guide readers toward specific publications and resources already available on developing multicultural awareness contains 347 references jdm

how can teachers best respond to the educational needs of a multicultural society like that of britain today this book reviews current thinking on the multicultural curriculum and practical initiatives which are available for its construction and implementation

this important new book for college teachers administrators trainers workshop leaders and prospective secondary school teachers challenges of teaching in institutions and classrooms that are increasingly diverse the volume s introductory chapter which discusses the meaning of multicultural teaching is followed by more than twenty essays by faculty from different disciplines each articulating the multiple dimensions and components of multicultural teaching they discuss their own teaching and classes in terms of course content process and discourse and diversity among faculty and students in the classroom the book concludes with a roundtable discussion by the authors about the meaning of multicultural teaching a section on responses to questions about conflict in the classroom and a list of exercises for classroom and workshop use rather than

representing a homogeneous view of multicultural teaching this volume reflects the debate and dialogue that surround the issue while colleges and their faculty are searching to adapt their teaching to the rapidly changing demographics on campus there are very few models for teachers multicultural teaching in the university integrates new scholarship that reflects a more expansive notion of knowledge and suggests new ways to communicate with diverse populations of students

this handbook is considered a classic text in american counselling and is the world s most often cited scholarly work on multicultural counselling

this benchmark 6 volume set documents analyzes and critiques a comprehensive body of research on the history of multicultural education in the u s by collecting and providing a framework for key publications spanning the last 30 40 years these volumes provide a means of understanding and visualizing the development implementation and interpretation of multicultural education in american society

seminar paper from the year 2006 in the subject english language and literature studies culture and applied geography grade 1 6 university of hannover philosophische fakultät course seminar national identity and its representations in modern british culture 13 entries in the bibliography language english abstract this paper focuses on the multiculturalism vs integration debate in great britain which was aggravated by a speech held by trevor phillips head of the commission for racial equality cre in spring 2004 at first it is necessary to give definitions of the rather vague terms multiculturalism and integration that will be done in chapter two chapter three then introduces four main governmental policies in dealing with multiculturalism and takes a look at their theoretical backgrounds the main part of this paper chapter four deals with the lively multiculturalism vs integration debate in great britain after the major points of phillips speech are presented it is important to give some general facts about multiculturalism in the uk in order to give the discussion a solid basis there have been plenty of reactions towards phillips speech supporters and opponents of his theses have publicly underlined

their statements in manifold opportunities it is not possible to hear them all therefore only a relatively small but hopefully well balanced selection can be given finally some own thoughts and ideas will be presented in the conclusion unfortunately most of them can only be causes for thoughts because they again lead to a much wider topic which would be part of a new paper

why do america s public schools seem unable to meet today s social challenges as competing interest groups vie over issues like funding and curricula we seem to have lost sight of the democratic purposes originally intended for public education public schools were envisioned by the founders as democratically run institutions for instilling civic values but today s education system seems more concerned with producing good employees than good citizens meanwhile our country s diversity has eroded consensus about citizenship and the professionalization of educators has diminished public involvement in schools this volume seeks to demonstrate that the democratic purposes of education are not outmoded ideas but can continue to be driving forces in public education nine original articles by some of today s leading education theorists cut a broad swath across the political spectrum to examine how those democratic purposes might be redefined and revived it both establishes the intellectual foundation for revitalizing american schools and offers concrete ideas for how the educational process can be made more democratic the authors make a case for better empirical research about the politics of education in order to both reconnect schools to their communities and help educators instill citizenship an initial series of articles reexamines the original premise of american education as articulated by important thinkers like jefferson and dewey a second group identifies flaws in how schools are currently governed and offers models for change a final section analyzes the value conflicts posed by the twin strands of democratic socialization and governance and their implications for education policy spanning philosophy history sociology and political science this book brings together the

best current thinking about the specifics of education policy vouchers charter schools national testing and about the role of deliberation in a democracy it offers a cogent alternative to the exchange paradigm and shows how much more needs to be understood about an issue so vital to america s future

contributors from philosophy and political science discuss the observation that civility civic virtue tolerance and socio cultural unity have declined while exploring the nature of civil society the conflict between individual liberty and the common good and the role of law and government policy in weaving the threads of the social fabric from publisher description

doss fine arts and american studies u of colorado boulder examines the image of elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by elvis presley enterprises bandw illustrations annotation copyrighted by book news inc portland or
