the demand for effective communication and marketing at the campus level has never been more urgent and yet most administrators come into the role with little public relations expertise or background schools must navigate incredibly complex societal issues while they compete for students engage families and inspire staff and community members to give their best efforts and support the communicating principal practical strategies for school leaders provides real world stories best practice guidelines and practical communication checklists designed to help school leaders better understand their community and bring them in to co create a vision for positive transformation from social media and websites to crisis and internal messaging this book shares systems and supports that make communicating easier and more effective every topic is covered from the lens of a principal what you need how it can be done quickly and inexpensively and how to measure success so that it can be shared and replicated not every school or district can afford a communication professional the communicating principal is the next best thing

get ahead in the workplace by influencing others influence is a timeless topic for business leaders and others in positions of power but the world has evolved to the point where everyone needs these skills no matter your job role rank or function if you want to get things done you need to know how to influence up down across and outside the organization increasing your influence at work all in one for dummies shows you how to contribute more fully to important decisions resolve conflicts more easily lead and manage more effectively and much more plus you'll discover how to develop the most important attributes necessary for influence trustworthiness reliability and assertiveness and find out how to move beyond includes easy to apply information for influencing managers peers and subordinates shows you how to build trust with your co workers and cultivate reliability through consistency and being personal illustrates how influencing others in the office helps you enjoy a greater measure of control over your work life helps you advance your career more rapidly than others no matter who you are where you work or what your professional goals are achieving more influence in the workplace is critical for success

i wrote this book introduction to management starting from the application of basic social science principles and concepts such as sociology and economics to management i also paid attention to the management concepts developed by previous scholars and the practical management concepts that people have explored and grasped in their work and daily lives including managing affairs and managing oneself the results of management can be satisfying or dissatisfying for each individual and both aspects will be discussed by collecting and organizing these experiences and insights this book should provide beginners practicing managers and general readers and learners with practical insights and references i hope that this writing style will deepen readers understanding and comprehension of management and make it practically useful for personal and professional growth and improvement providing significant assistance teaching and writing have been my life's habits since retiring from national taiwan university i have had more free time but also felt that it is limited therefore i

have been working harder to organize my teaching and research experiences and write them into a book looking back on nearly a decade of teaching and research i have published nearly forty books in addition to academic papers however management is a subject i have taught and have many insights on but i have not yet organized it into a book i decided to make more efforts to turn it into a book and fulfill my responsibility to the society and country that have nurtured me so i continue to write and think seriously feeling at ease and steadfast in my heart hoping that the content of the book will be recognized by readers
