in this study i will attempt to outline some major theories of social and educational

change and to delineate the identification and interpretation of variables of bilingual education within the framework of each particular theory in so doing i am drawing heavily on the work by r g paulston in his conflicting theories of social and educational change a typological review 1976 introduction

the handbook of bilingual and multilingual education presents the first comprehensive international reference work of the latest policies practices and theories related to the dynamic interdisciplinary field of bilingual and multilingual education represents the first comprehensive reference work that covers bilingual multilingual and multicultural educational policies and practices around the world features contributions from 78 established and emerging international scholars offers extensive coverage in sixteen chapters of language and education issues in specific and diverse regional geographic contexts including south africa mexico latvia cambodia japan and texas covers pedagogical issues such as language assessment as well as offering evolving perspectives on the needs of specific learner populations such as ells learners with language impairments and bilingual education outside of the classroom

made up of eight volumes the encyclopedia of language and education is the first attempt at providing an overview of the subject

this book shows how formal non formal and informal education play important roles in the shaping of bilingual minds the contributions gathered here examine how societies influence language education taking into account different perspectives as well as foreign language education in schools native bilingualism and societal stances towards bilingualism

this revised edition of bilingualism in schools and society is an accessible introduction to the sociolinguistic and educational aspects of and the political issues surrounding bilingualism including code switching in popular music advertising and online social spaces it also addresses the personal aspect of the topic in a well informed discussion of what it means to study and live with multiple languages in a globalized world and practical advice on raising bilingual children extensive new material has been added that deals with more holistic understandings of bilingual performance including translanguaging flexible bilingualism and code meshing blending standard and vernacular languages dialects in hybrid texts and recent developments in policies surrounding the education of english learners and el assessment including common

core state standards ccss parcc and sbac testing wida and elpa21 language assessments and every student succeeds act essa updated and new discussions on community based heritage language programs and super diversity further enhance this new edition along with updated statistics on bilingual populations and the world's top languages each chapter includes lists of further readings helpful digital resources and study questions as well as student activities and boxed vignettes firmly grounded in the analysis of empirical work with bilingual children and adults in various multilingual settings throughout the world bilingualism in schools and society is the ideal text for courses on bilingualism in language education programs

an easy to use treasure trove of information for parents who want to help their children learn a new language deborah tannen phd new york times bestselling author of you just don't understand parents spend millions of dollars every year on classes computer programs and toys all of which promise to help children learn a second language they want their kids to have the lifelong cultural and intellectual advantages that come from being bilingual but many of their best efforts and investments end in disappointment in the bilingual edge georgetown linguistics professors and parents kendall king and alison mackey wade through the hype and provide clear insights into what actually works no matter what your language background is whether you never passed high school spanish or you speak mandarin fluently king and mackey will help you select the language that will benefit your child the most find materials and programs that will assist your child in achieving fluency identify your family's unique traits and use them to maximize learning fancy private schools and expensive materials aren't needed instead the bilingual edge translates the latest research into interactive strategies and quick tips that even the busiest parents can use

this work provides a comprehensive introduction to bilingualism and bilingual education written as an introductory text from a cross disciplinary perspective the book contains 20 chapters covering individual and societal concepts in minority and majority languages the third edition contains updated references and the latest research findings major changes for the third edition are added new topics recent changes in bilingual education in the united states language loss in the world trilingualism recent debates on effective bilingual education more on the politics of bilingual education immersion education experiences outside canada bilingualism in the economy bilingualism and the information communications and technology revolution

this volume brings a mixed group of researchers together to discuss issues in bilingual or trilingual education for the majority and minority nationality groups in china and to explore the relationship between the two

an attempt to present issues of bilingualism to the bilingual families themselves so that although psycho and socio linguistically sound this book is straightforward and populist in style the text argues for families to maintain their mother tongues and suggests strategies for doing so at home and with schools

bilingual education in the 21st century examines languages and bilingualism as individual and societal phenomena presents program types variables and policies in bilingual education and concludes by looking at practices especially pedagogies and assessments this thought provoking work is an ideal textbook for future teachers as well as providing a fresh view of the subject for school administrators and policy makers provides an overview of bilingual education theories and practices throughout the world extends traditional conceptions of bilingualism and bilingual education to include global and local concerns in the 21st century questions assumptions regarding language bilingualism and bilingual education and proposes a new theoretical framework and alternative views of teaching and assessment practices reviews international bilingual education policies with separate chapters dedicated to us and eu language policy in education gives reasons why bilingual education is good for all children throughout the world and presents cases of how this is being carried out

the book contains a comprehensive selection of outstanding and influential articles on bilingual education in the usa and the rest of the world it is designed for instructors and students with questions and activities based on each of the 19 readings for students to engage in active learning

a collection of pivotal papers from 1986 1993 on bilingualism and bilingual education grouped in sections on policy and legislation implementation of bilingual policy in schools bilingualism in instruction and using the bilingualism of the school community articles conclude with suggested student activities and discussion questions encouraging students to take on an advocacy oriented role the reader can be used alone or with the publisher s foundations of bilingual education and bilingualism no index annotation copyright by book news inc portland or

this encyclopedia is divided into three sections individual bilingualism bilingualism in society and bilingual education it includes many pictures graphs maps and diagrams the book concludes with a comprehensive bibliography on bilingualism

this book is an introduction to the social and educational aspects of bilingualism it presents an overview of a broad range of sociolinguistic and political issues surrounding the use of two languages including code switching in popular music advertising and online social spaces it offers a well informed discussion of what it means to study and live with multiple languages in a globalized world and practical advice on raising bilingual children
