it's time to drop the rose colored glasses and face the facts most new businesses fail with often devastating consequences for the would be entrepreneur the new york times wall street journal and usa today bestseller the entrepreneur equation helps you do the math before you set down the entrepreneurial path so that you can answer more than just could i be an entrepreneur but rather should i be an entrepreneur by understanding what it takes to build a valuable business as well as how to assess the risks and rewards of business ownership based on your personal circumstances you can learn how to stack the odds of success in your favor and ultimately decide if business ownership is the best possible path for you now or ever through illustrative examples and personalized exercises tell it like it is carol roth helps you create and evaluate your own personal entrepreneur equation as you learn what it takes to be a successful entrepreneur in today's competitive environment save money time and effort by avoiding business ownership when the time isn't right for you identify and evaluate the risks and rewards of a new business based on your goals and circumstances evaluate whether your dreams are best served by a hobby job or business gain the tools that you need to maximize your business success the entrepreneur equation is essential reading for the aspiring entrepreneur before you invest your life savings invest in this book

the entrepreneur's identity standard solves the psychological problem of how tech start up entrepreneurs deal with strategic decision making processes in their ventures based on how they see themselves a pioneering doctoral study carried out by the author at a digital tech incubator in the uk serves as the basis for this book that is why there is a significant number of real life examples from one to one interviews with tech founders

today when the competition technology and the economy are evolving faster than ever before organizations and the people like us who work in them need a proven approach to help us adapt and succeed the key according to paul b brown is to think like an entrepreneur no matter what your position or industry what works for the most successful entrepreneurs will work for us brown argues whether we want to stay employed working for someone else or are thinking of going off on our own based on extensive research entrepreneurship for the rest of us reveals the best practices of the most successful entrepreneurs those who are adept at continually innovating and seeing opportunity where others do not they do that by following a rigid approach for example they never start with a new idea but by trying to solve a market need financing is an afterthought they get started with the resources at hand not only does that allow them to move quickly if things don't work out they are not out much perfect is the enemy of good it is much more important to get out into the marketplace with a prototype than to keep fiddling with what you have in short the entrepreneurial mindset is a protection against economic uncertainty and brown's goal is to spread that thinking to individuals and large organizations alike though of course we won't all start or run our own companies we need to learn to think like entrepreneurs so that when uncertainty hits as it will again and again individuals and companies will be better prepared to not only survive but win

no business author has touched me as deeply as michael gerber has jack canfield co creator of the chicken soup for the soul bestselling book series the legendary michael gerber founder of e myth worldwide and author of such multi million copy bestselling classics as the e myth revisited and e myth mastery shows you how to go from dreaming about having your own business to actually doing it in awakening the entrepreneur within a highly in demand keynote speaker whose company boasts over 52 000 business clients in 145 countries michael gerber is the name in small business and now he demonstrates how ordinary people can create extraordinary companies making your dreams real is the first step to creating a successful business and gerber s awakening the entrepreneur within provides the key
