this book offers an introduction to security studies it features an impressive breadth and depth of coverage of the different theoretical approaches to the study of security and the ever evolving range of issues that dominate the security agenda in the 21st century

international security the contemporary agenda is a cutting edge introduction to key security challenges and developments in the post cold war world drawing on a wide range of contemporary examples it is an essential guide for students seeking to understand the theoretical and empirical debates over the fast changing nature of international security today the book is clearly organized into four main sections section 1 provides an

analytical framework for the book identifying the most significant post cold war shifts in international security and recent theoretical developments in security studies section 2 looks at environmental security including the threat of resource based conflict most notably over oil and water and the perceived security challenges of international migration section 3 analyses the root causes of the so called new wars and the broader insecurity found in many regions of the south dilemmas and problems of intervention including the controversial debate over humanitarian intervention are examined in detail section 4 discusses new security challenges posed by international terrorism and the proliferation of weapons of mass destruction it explores the strategies and policies adopted by the united states particularly in the aftermath of 9 11 this book will be valuable reading for students of international relations international security and strategic studies

the end of the cold war has revolutionized the basic assumptions underlying security studies including north american british and australian views of security contemporary security and strategy offers a comprehensive objective examination that integrates strategic thought theories of security and key issues and developments in post cold war security the book begins with a look at the leading theoretical positions ranging from the classical strategists to the modern realists followed by alternative approaches this leads to an analysis of current debates within the fields of nuclear strategy deterrence proliferation refugees economics developments in modern warfare and the technical revolution in military affairs

in the era of a fast changing technically driven society to make life easy and simple people use various devices the internet is one of the easiest and most economical modes of connecting people and businesses across the world usually it is believed that a computer has been used as a medium or instrument for the commission of cybercrimes like trespass larceny or conspiracy on the other hand much credence is given to the unique nature of emerging technologies and unique set of challenges unknown to the existing cyber jurisprudence such as nature and scope of cybercrimes intention and difficulties in locating the offender jurisdiction and its enforcement cyber crimes are risky for different organizations and people networking on the internet it poses a great challenge and threat for individuals as well as for society the objective of the national conference on cyber crime security and regulations 2022 was to examine the emerging cybercrime security and regulation issues and trends in the current scenario this conference was multidisciplinary in nature and dealt with debatable and relevant issues that the world is facing in cyberspace in the current scenario this conference provided a platform to legal professionals academic researchers and consultants an opportunity to share their experiences and ideas through panel discussion and paper presentations across the country and witnessed nearly 150 participations

the text takes a multidisciplinary approach to terrorism studies drawing from psychology political science criminology and sociology to provide students of terrorism studies and those with an interest in the area with a comprehensive understanding of terrorism its origins history and evolution

the world turned topsy turvy after covid 19 pandemic the whole equation and thrust of global politics and economics is now at a new verge the main question is now how we can secure human race and humanity this is the main thrust of the book changing dimensions of human security in contemporary world this book is an outcome of collective research work done by erudite scholars from different parts of world like usa russia japan australia romania nigeria nepal bangladesh and india who has come together in search of new trends of human security they touched upon different milieu as well as dimensions of human security and pandemic in contemporary world scenario in thirty two essays forty seven authors collectively explored situation of human security in several domains including international politics law economy labour force sustainable development education gender and may more i believe that this collection of essays can become a benchmark for the future as well as spur new research agendas and projects that will put the region into a much needed conversation on the recent trends of human security in contemporary world this book will try to reimagining this changing dimension of human security in the pandemic situation the goal of this book is to improve the standards of the international community of academicians researchers scholars and scientists by exposing them to the latest trends developments and challenges in the field the volume is essential reading for social scientists bureaucrats and non governmental political activists interested in human security it will also appeal to public policy analysts and scholars who have yet to adopt the contribution of critical security and development studies in the analysis of different dimensions of human security

this text brings together a range of specially commissioned chapters to provide an accessible introduction to security studies in the 21st century thethird edition has been expanded to cover non military challenges to security and includes new learning aids
