this book's essays seek to cleanse comparative law of some of the epistemic detritus it has been collecting and that has been cluttering its theory and practice to the point where this flotsam has effectively stultified good comparison while a critique would pursue adjustments to the prevailing model this text's negative critique seeks a much more radical refurbishment as it utters an emphatic no to the governing epistemology it pursues in effect a deposition and a disposition of the leading epistemic configuration and the various assumptions regarding the acquisition of knowledge about foreign law that inform it negative comparative law thus operates at a primordial level inasmuch as it concerns the matter of justice it aims to do justice to foreign law as foreignness finds itself appropriated and travestied by comparatists for ideological purposes in the process negative critique purports significantly to enhance comparative law's institutional intellectual and ethical respectability this book will benefit all law teachers and postgraduate law students interested in the workings of law on the international scene whether specialists in comparative law public international law private international law transnational law or foreign relations law in particular individuals bringing to bear a critical inclination to their subject matter

this volume gathers together sixteen seminal articles all written by leading scholars which articulate and effectuate the influence of derrida's scholarship on the field of law the articles included in this collection are underpinned by the authors shared belief that the intellectual challenges posed by derrida's work to legal scholarship are as challenging as they are pressing and as profound as they are inescapable in addition to a thorough introduction addressing salient aspects of jacques derrida's engagement with law this book comes with an extensive bibliography of sources in english this provides the reader with a carefully selected list of more than one hundred texts all of which serve as introductory pathways to derrida's philosophy and in particular to the interaction between derrida and law a fine reminder of the trans disciplinary influence of jacques derrida's thought this landmark collection is destined to generate substantial interest in philosophy departments and law schools alike

offers a broad overview of the interaction between law and language and the way they influence each other contains papers from the 15th annual interdisciplinary colloquium held in the law school of ucl in july 2011

this massive work represents the labour of hundreds of lawyers and scholars throughout the world it is undoubtedly the most extensive and thorough examination of comparative law on the international level ever published it incorporates not only detailed descriptions of the legal systems of more than 150 countries but above all thoroughly documented comparative analyses of the main issues in civil and commercial law and related issues world wide consisting of 17 volumes in total each volume is divided into 6 20 chapters written by relevant specialists rather than delaying publication until the volume is complete every chapter is published on completion in paperback form once a year several of these chapters not necessarily of the same volume are sent to subscribers in single instalment as soon as all the chapters in a given volume are ready they are indexed updated where necessary and sent to subscribers in high quality hardback form for an up to date list of published instalments their contents and prices please contact brill turpin distribution commo sales rights in german speaking countries eastern europe portugal spain italy greece south and central america
