the hospitality industry's rapid evolution provides career seekers with tremendous opportunity and unique challenges. Changes in the global economy, rising interest in ecotourism, the influence of internet commerce, and myriad other trends contribute to the dynamic nature of this exciting field. Introduction to Hospitality Management presents a thorough overview of historical perspectives, current trends, and real-world practices. Coverage of bar and restaurant management, hotel and lodging operations, travel and tourism, and much more gives students a comprehensive survey of this rewarding field. Focusing on practicality, this text presents real-world examples of traditional methods alongside insightful discussions surrounding changes in consumer demands and key issues affecting the industry. The industry's multifaceted nature lends itself to broad exploration, and this text provides clear guidance through topics related to foodservice operation, convention management, meeting planning, casino and gaming management, leadership and staffing, financial and business models, and promotion and marketing. Emphasis on career planning and job placement strategies give students a head start in charting their future in hospitality.

An innovative and cross-cutting approach to hospitality that examines the fundamentals of the subject in a concise and commendable way, Roy Wood's academic and practitioner expertise is brought to bear on this succinct synthesis of the subject that will quickly become a must-read for all students and academics in the hospitality area. Professor Stephen J. Page, Bournemouth University, Hospitality Management: A Brief Introduction is designed for undergraduate and postgraduate students studying hotel and hospitality management and hospitality studies. The book includes coverage of the principal areas of functional management in hospitality, including employee relations, accommodation management, food and beverage management, marketing, and sales. Industry structure and strategy, the nature of management roles, hospitality management education, future trends in the field. Roy Wood uses a wide range of established and contemporary research and reflects critically on its subject, including from the perspective of the
