Phlebotomy Exam Review Eighth Edition provides a comprehensive review of current phlebotomy theory and offers an ideal way to study for phlebotomy licensing or national certification exams. It also makes for an excellent study tool for students taking formal phlebotomy training programs by answering the questions in this review. Students can test their knowledge and application of current phlebotomy theory. Theory questions address recent federal safety standards, clinical and laboratory standards institute (CLSI) guidelines, and the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) phlebotomist competencies. When applicable, questions are standard multiple choice like those used on national exams, with choices that often test your critical thinking abilities. 2024, 380 pages.
