discover your own deep well of wisdom in intuition knowing beyond logic from one of the greatest spiritual teachers of the twentieth century intuition deals with the difference between the intellectual logical mind and the more encompassing realm of spirit logic is how the mind knows reality intuition is how the spirit experiences reality osho's discussion of these matters is wonderfully lucid occasionally funny and thoroughly engrossing all people have a natural capacity for intuition but often social conditioning and formal education work against it people are taught to ignore their instincts rather than to understand and use them as a foundation for individual growth and development and in the process they undermine the very roots of the innate wisdom that is meant to flower into intuition in this volume osho pinpoints exactly what intuition is and gives guidelines for how to identify its functioning in others and ourselves you will learn to distinguish between genuine intuitive insight and the wishful thinking that can often lead to mistaken choices and unwanted consequences includes many specific exercises and meditations designed to nourish and support each individual's natural intuitive gifts osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the *sunday times* of london as one of the 1000 makers of the 20th century and by *sunday mid day india* as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

you have a hidden power and with it you can learn how to create a better life this hidden power is your intuition and as albert einstein once said the intuitive mind is a sacred gift and the rational mind a faithful servant we have created a society that honors the servant and has forgotten the gift but how do we rediscover our intuitive minds how can we harness this hidden power and realize our potentials in into the pure author tim nicholls shares the key to his adventures vitality and experiences and he explains how he unlocked the way that led him toward an

intuitive understanding of spiritual empowerment being open to your own intuitive mind is about being open first to the spiritual dimension the real you and focusing on your inner self feeling your body's mindfulness and developing meditative skills will give you the power to hear and interpret the intuitive messages emanating from within from there the spirit the energy of life the self will become paramount to your understanding of your being you will discover how it can answer all things developing your intuition is about empowerment and working into the pure energy of your being and this intuition is the way your inner self communicates it will point the way in your life with amazing power you need to get to know it as a close friend as another voice in your life shining from within

in his book about the discovery of the structure of dna james watson wrote so we had lunch telling ourselves that a structure this beautiful just had to exist indeed the quest most often asked by scientists about a scientific theory is is it beautiful yes beauty equals truth scientists know mathematicians know but the beauties the truths of mathematics and science were not the truths that inspired the author as a child and he intuitively knew that the truths he needed come from a different way of knowing a way of knowing not of the world of logic and reason and explanation though they have a value but rather a way of knowing that is of the world expression a world that enters the truths beyond the grasp of logic that is what this book is all about it is an exploration of the greatest minds of human existence struggling to understand the deepest truths of the human condition this second edition updates the previous one incorporating new publications on van gogh recent discoveries in neurology psychology and the rapid developments in understanding dna and biotechnology we've come a long way already from that original discovery by watson and his coauthor francis crick

the lights dim and soon the theatre becomes dark the audience conversations end with a few softly dissipating whispers and the movie begins nina sayers a young ballerina dances the prologue to tchaikovsky's swan lake a ballet expressing a story

drawn from russian folk tales about a princess who has been turned into a white swan and can only be turned back if a man swears eternal fidelity to her however this is not that ballet this is the beginning of black swan a controversial movie employing symbolism in a complex interweaving of dance and film to reveal the struggles and paradoxes of everything from a female rite of passage to questions about where artistic expression should demand self sacrifice and whether such sacrifice is worth the price the dance floor is the stage of life the place where physical actions take on the symbolic meanings of mythology and express the deepest archetypes of the human mind this book explores how dance gives shape to those human needs and how it reflects and even creates the maps of meaning and value that structure our lives though the volume looks at all the forms of dance it focuses on three main categories in particular religious social and artistic since the american musical and subsequent musical videos have both reflected and influenced our current world they receive the most space such acclaimed performers as fred astaire gene kelly judy garland ricky nelson elvis presley and michael jackson such important composers and lyrists as gershwin rodgers and hammerstein porter berlin webber bernstein the beatles and the who and such choreographers as graham balanchine robbins and fosse are examined in particular detail

lila is sanskrit for play the play of the gods it is the self generating genesis of bliss created by bliss for the purpose of bliss it is the uninhibited impulsive sport of brahman the free spirit of creation that results in the spontaneous unfolding of the cosmos to be found in the eternity of each moment it is beyond the confining locks and chains of reason beyond the steel barred windows looking out from the cages of explanation beyond the droning tick tick tick of the huge mechanical clocks of time come let us enter the realm of the madman and the finely wrought threads of clotho as they are measured out by lachesis and cut by atropos to create the great tapestry of life including the intricate intertwining designs of dementia with the trickster the shaman the scapegoat the shadow the artist and the savior come let us join in the divine madness of the gods

eric leif davietnamesen was raised as a southern baptist and mormon convert although he was always a non believer however like everyone else in his blue collar surroundings he believed in america the military anti communism and although too young to vote senator barry goldwater when he ran for president in 1964 then in the sixties he went to college and became swept up in the movements of the times he came to realize that everything he d believed about his war the vietnameseetnam war was wrong he came to believe that we were more than just on the wrong side we were the wrong side eventually he was drafted however he refused induction into the military preferring to face five years in prison the maximum sentence rather than fight in an immoral war this memoir describes his journey through the sixties from a working class gung ho goldwater republican supporter of the vietnameseetnam war to a radicalized anti war activietnamesest who was eventually drafted to fight in that war but refused to go
