marking the 125th anniversary of the birth of roberto gerhard  
this work views the composer s life and oeuvre through the lens

of the spanish civil war exile and cultural translation through these different threads a new and more nuanced understanding of gerhard and the political and cultural milieu that influenced his work emerges

more than forty years after the composer s death the music of roberto gerhard 1896 1970 continues to be recorded and performed and to attract international scholarly interest the roberto gerhard companion is the first full length scholarly work on this composer noted for his sharp intellect and original exploring mind this book builds on the outcomes of two recent international conferences and includes contributions by scholars from spain the usa and uk the essays collected here explore themes and trends within gerhard s work using individual or groups of works as case studies among the themes presented are the way gerhard s work was shaped by his catalan heritage his education under pedrell and schoenberg and his very individual reaction to the latter s teaching and methods notably gerhard s very distinctive approach to serialism the influence of these and other cultural and literary figures is an important underlying theme that ties essays together exiled from catalonia from 1939 gerhard spent the remainder of his life in cambridge england composing a string of often ground breaking compositions notably the symphonies and concertos composed in the 1950s and 1960s a particular focus in this book is gerhard s electronic music he was a pioneer in this genre and the book will contain the first rigorous studies of this music as well as the first accurate catalogue of this electronic output his ground breaking output of incidental music for radio and the stage is also given detailed consideration

this book proposes an innovative conceptual framework to explore cultural organizations at a multilateral level and cultural mediators as key figures in cultural and institutionalization processes specifically it analyzes the role of ibero american mediators in the institutionalization of hispanic and lusophone cultures in the first half of the 20th century by means of two institutional networks pen the non governmental writer s association and the international institute of intellectual cooperation predecessor to unesco attempting to combine cultural and global history sociology and literary studies the book uses

an analytical focus on intercultural networks and cultural transfer to investigate the multiple activities and roles that these mediators and cultural organizations set in motion literature has traditionally studied major figures and important centers of cultural production but other regions and localities also played a crucial role in the development of intellectual cooperation this book reappraises the place of ibero america in international cultural relations and retrieves the lost history of key secondary actors the book will appeal to scholars from international relations global and cultural history sociology postcolonial studies world and comparative literature and new hispanisms the open access version of this book available at taylorfrancis com books e 9780429299407 has been made available under a creative commons attribution non commercial no derivatives 4 0 license
