learn how to assist library patrons including self represented litigants through legal research instruction programming and outreach according to the national center for state courts in 76 percent of civil cases in the united states at least one of the parties represents themselves as more people represent themselves in court more are coming to the library to seek answers to legal questions do you ever feel panicked when someone asks you a legal reference question are you are not sure where to look for information or how much information you can provide what can libraries do to assist self represented litigants deborah hamilton began her career as a law librarian with no formal legal training now not only does she help people with legal reference questions but she also provides legal programming and outreach to the community learn the difference between legal information and legal advice as well as how to connect with community groups who provide legal services in this book hamilton teaches librarians how to teach themselves about legal research and resources as well as offering practical ideas for types of legal programs and outreach that they can proactively offer patrons

picture family life in canada does it include women or girls being murdered on average every two and a half days or the fact that intimate partner violence counts as nearly one third of all reports to police or that child or elder abuse is more common than you might imagine written for students instructors practitioners and advocates in all related fields this expanded and updated third edition of cruel but not unusual violence in families in canada offers the latest research thinking and strategies to address this hard reality in canada today violence takes many forms inside relationships and families and the systems charged with responding and helping can actually add to the harm further isolating and endangering victims nowhere is this more evident than in intentionally marginalized communities such as indigenous black people of colour lgbtqi2s people with disabilities and immigrant refugee and

non status women from recommendations on resisting anti black state sanctioned violence to a call to action on partner abuse within lgbtqi2s communities the book offers bold ideas for moving forward highlighting the work of researchers and activists from these communities using a range of perspectives feminist trauma informed intersectional anti oppression and including diverse couple and family relationships and settings foster care group homes institutions the contributors track violence across the life course addressing the impact on the brain trauma coercive control resilience disclosing abuse the metoo movement self care and providing practical case examples and guidelines for working with children youth adults couples families and groups the result is an authoritative source that offers new insights and approaches to inform understanding policy practice and prevention

an in depth study of why civil society advocacy groups working on hiv choose the language of rights

in recent years the number of americans who have decided to handle their own legal affairs without the help of a lawyer has skyrocketed ranging from people writing their own wills or drafting a contract to those trying to represent themselves in court they re going to public and academic libraries for answers as both an attorney and a librarian healy s background makes him uniquely qualified to advise library staff on providing users with the legal information they seek and in this handbook he provides a concise orientation on legal research including strategies for finding information quickly and a handpicked compendium of the best resources offers guidance on how to provide advice on legal research while steering clear of liability covers federal legal reference as well as all 50 states with a comprehensive list of web based legal resources library staff can provide valuable and ethical legal reference guidance with the practical guidance in this book

millions of children are on the move both within and between countries with or without their parents the conditions under which movement takes place are often treacherous putting migrant children especially unaccompanied and separated children at an increased risk of economic or sexual exploitation abuse neglect and violence policy responses to protect and support these migrant children are often fragmented and inconsistent and while children on the move have become a recognised part of today s global and mixed migration flows they are still largely invisible in debates on both child protection and migration

this report reviews policies practices and strategies that state departments of education are using to infuse equity and excellence into their ongoing science mathematics and technology systemic reform efforts lessons learned and discussed are primarily from state departments of education in florida michigan and south dakota in addition some information is gathered from other states that are participating in the national science foundation statewide systemic initiative ssi some of the reform related materials from florida and south dakota are appended ddr

offering an overview of worldwide ecotourism showing how both the concept and the reality have evolved this book examines the growth of ecotourism within the galapagos islands costa rica tanzania zanzibar kenya and south africa their political systems and their economic policies
