a primary resource introducing missions for the passionate follower of christ

trinitarian doctrine for today's mission this stimulating little book introduces some of the issues involved in mission in the twentieth century newbigin discusses missions from an ecumenical perspective before considering the limits of ecumenicity and the need for truth he considers that the present situation of the missionary movement has brought the question of the uniqueness and finality of christ into sharp focus this question he argues and the question of the relation of what god is doing in the mission of the church and in the secular events of history will only be answered correctly in the framework of a fully and explicitly trinitarian doctrine of god with an introduction by eleanor jackson lesslie newbigin 1909 1998 spent many years in india as missionary and bishop before returning to the uk where he became moderator of the united reformed church he wrote numerous books including foolishness to the greeks and the gospel in a pluralist society

lesslie newbigin was arguably the greatest missionary thinker of the twentieth century after a successful missionary career in south india newbigin pioneered missionary engagement with the secular west and resurgent islam he also led the way in arguing that the church's mission can only be understood in light of the doctrine of the trinity over fifty years ago newbigin called for the further development of missionary thinking grounded in the triune being of god this work is in response to that call adam dodds provides the first in depth study of newbigin's trinitarian theology of mission dodds constructs a systematic account of the central features of the mission of the triune god the triune being of god the mission of the son the mission of the holy spirit and the mission of the church this book contributes to our understanding of the work of lesslie newbigin offers a systematic theological account of the mission of the triune god and contributes to the retrieval of christian mission from the theological margins back to a place of central importance to christian theology

trinitarian doctrine for today's mission this stimulating little book introduces some of the issues involved in mission in the twentieth century newbigin discusses missions from an ecumenical perspective before considering the limits of ecumenicity and the need for truth he considers that the present situation of the missionary movement has brought the question of the uniqueness and finality of christ into sharp focus this question he argues and the question of the relation of what god is doing in the mission of the church and in the secular events of history will only be answered correctly in the framework of a fully and explicitly trinitarian doctrine of god with and introduction by eleanor jackson

this encyclopedia is a comprehensive survey and analysis of the main philosophical scientific or empirical and theological studies of mission in the 19th and 20th centuries it deals with 1 the names 2 the concepts 3 the methods and 4 the branches of missiology therefore it concludes with four chapters after an introductory chapter since most branches of missiology only came into existence in the 19th century most analyses descriptions and bibliographies do not go back beyond 1800 both the philosophy of mission and the science of mission are dealt with in the first volume the theology of mission especially the missionary theology is discussed in this second and final volume

in this first volume of the outreach and identity monograph series waldron scott discusses karl barth's theology of mission first he sketches barth's general theological presuppositions and then summarizes barth's specific view of mission finally he evaluates this view stressing what we can learn from barth and identifying aspects we should view critically

christian theology affirms that the persons of the son and the holy spirit are sent into the world to gather a scattered and rebellious humanity back to god but how are we to understand these divine missions given that the son and the spirit have already been present in the world from its foundation moreover in what sense are they on a mission if they never leave the unity of the trinity in this volume vidu introduces us to the profound riches of this ancient and foundational doctrine with ample illustration he explains the technical concepts the operative principles and he clarifies the historical and contemporary debates in the process a constructive theology emerges where the category of divine missions frames topics such as the incarnation and life of christ his atoning death and ascension the pentecostal outpouring of the spirit the invisible indwelling of the spirit and finally the eschatological beatific vision
