in periods of recession churches frequently respond to social need in practical ways these responses are often driven by pastoral concern rather than a theology of church and society but without theological roots such social action can be vulnerable and episodic this volume commissioned by a group of bishops in hard hit dioceses looks to develop strong theological foundations for local social action initiatives by churches especially for activists who are not familiar with the church of england s tradition of social theology developed by william temple and others a century ago in exploring what a renewed anglican social theology might look like this also draws on the impact of catholic social teaching and focuses on the core topics of multiculturalism economics family patterns ecology and other key issues

there are insidious forces threatening to shape people s lives in ways that may or may not meet with their approval and certainly do not meet with god s the ultimate judge over many centuries it has been common to name these radical forces as the world the flesh and the devil this book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them

what does it mean to be gay and a christian beginning with how the bible describes the church author nate collins outlines a vision for community life that challenges christians to examine obstacles that inhibit spiritual unity this new vision calls straight and non straight believers alike to patterns of christian obedience that respect and honor their similarities and differences in addition collins provides a theological framework for understanding how genesis 1 2 describes both gender and sexuality he then unpacks biblical concepts like desire lust and temptation and applies them to modern constructs like sexual attraction and orientation collins explores the theme of identity focusing on facets of personal identity that are central to the experience of christian gender minorities he looks at what scripture says about the formation and function of christian identity highlighting several theological and sociological tensions collins writes for believers who have a traditional sexual ethic and provides a compelling vision of gospel flourishing for gay lesbian and other same sex attracted individuals

english evangelicals give the appearance of being a community at war with each other and with the world around them the issue of homosexuality is one of the key battlegrounds how has this issue become so significant to evangelicals why is it provoking such violent responses how is it changing evangelicals and what might this mean for the future this book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of rene girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism the conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future the scandal of evangelicals and homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost it offers a window into contemporary english evangelicalism and provides an important contribution to international and ecumenical debate

humanity by john hammett and katie mccoy is an urgent theological study of the doctrine of humanity the authors shed light on the philosophical cultural and spiritual influences that constantly challenge the dignity of human existence

many are touting that the united states of america is no longer a christian country a fact reinforced by the us supreme court when it recently stated that on certain issues the bible is no longer relevant this book will challenge you to be all god wants you to be it calls for you and your church to be on fire for god as you are energized and empowered by the holy

spirit the author's passion to see god exalted and people turn to christ is clearly evident throughout the book if you are desirous of seeing god work in extraordinary ways this book will show you how it can be done and how you can become an agent for change

the church today can be divided into two different understandings of the kingdom of god the first group views the kingdom of god as mystical invisible and heavenly these christians assert that jesus is lord of all but his kingdom does not make a difference

the reconciliation of humanity in christ is essential reading for christians who wish to lead and serve the globalized world this book is about theological engagement with globalization although people are now living in a world in which a universal and inclusive society has emerged the church has remained powerless in uniting peoples nations and civilizations as one in christ in order for the church to regain its credibility and confidence it must address three theological issues social justice religious pluralism and ethics and the missional method the rationale for this book is that the power of true religion becomes evident in the world when all christians are engaging with globalization to reconcile humanity with god and with each other in preparation for the consummation of god's kingdom in response to the problems of globalization christians can become agents of renewal for globalization by administering god's grace and peace for humanity this book will educate and equip the readers to engage with the issues of globalization in the public arena readers will gain a biblical understanding of the church's role in fulfilling god's plan and purpose for humanity through globalization

this unique text and vocational resource on mission and development work equips readers to serve god and the needs of the world in a global arena

this authoritative volume offers the fullest account to date of christian fundamentalism its origins in the nineteenth century and its development up to the present day it looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged

can't you hear those little bells tinkling down on your knees they're bringing the sacraments to a dying god wrote heinrich

heine in 1834 it took a while but today it is happening across the western world the traditional picture of god is dying and institutional religion collapsing today we are trying something never done before living with no agreed narrative that tells us who we are and with a materialist view of life it isn't enough an idea of god may have died but the mystery of our human life is of an inner depth which is not simply physical or material marvel mystery wonder beauty love the numinous the mysterium tremendum remain the essence of who we are what i am trying to do is describe this experience in such a way that those who have not had it can get a glimpse of it from inside and understand how it can give a life meaning and purpose this is explored through a liberal christian tradition committed to social justice and honest exploration scripture is vital to this but so are art poetry music and beauty when most people are looking the other way we must keep the rumor of god alive
