in once a hero his latest collection of essays lam describes the decline of hong kong cinema since 1997 and gives an eyewitness account of its attempt to reinvent itself

shows from one country to the next is a guidebook to help recalculate your thinking when marketing in multiple countries trade shows from one country to the next delves into international marketing differences with a focus specifically on global trade shows rather than concentrate on details about marketing this book focuses on the needed adjustments that need be made physically and culturally when presenting your products and services at an international trade show although dedicated to trade show design and regulations much of the information in this book speaks to effective communication skills that are required when spending a week or less marketing your services abroad this book will not only appeal to exhibit managers show organizers venues and exhibit suppliers but to those who market anything outside of their country of origin effective communication is the key there is no right way there is no wrong way there is only a different way

*understand and respect what is different and you are on your way to success with international marketing larry kulchawik has served in the trade marketing industry for 45 years as the first american president of ifes international federation of exposition services he has met trade show supplier experts from around the world who have shared their opinions about achieving trade show marketing success in their countries*

in the tumultuous negotiations of the sino british joint declaration of 1984 the united kingdom willingly signed over hong kong s reigns to the people s republic of china but with the presupposition that the prc would faithfully implement the principle of one country two systems for the following fifty years yet since the handover in 1997 the prc has failed to allow hong kong a higher degree of autonomy one country two systems in crisis elucidates how china s intervention has curtailed hong kong s civil liberties how freedom of speech is at the mercy of the government and how deception has turned the pearl of the orient into the rubber stamp of the chinese communist party

the legal issues evoked by cross border crime in hong kong and china are sparse and what does exist is mostly in chinese this book provides the first systematic comprehensive and in depth analysis of how chinese british hong kong and international law were applied in the big spender case kam c wong outlines the respective positions of various parties to the dispute part of the case s fascination involves competing interests and that political clout counted for more than legal theory big spender may be little known outside hong kong and china but he made history there it was the first time a hong kong legal resident had been prosecuted tried and ultimately executed in china for acts largely perpetrated in hong kong the case tested the limits of the one country two systems approach under which hong kong and china coexist it also forced politicians government officials and the public in both hong kong and china to come to terms with the legal and policy issues related to cross border crime wong sees the big spender case as making clear the dire need for both sides to find workable solutions to concurrent jurisdiction police cooperation and judicial assistance until there is an acceptable arrangement governing the rendition of offenders between hong kong and mainland china the one country two systems formula cannot be stabilized this is a case study in large scale terms

*this title was first published in 1992 explores the implications of the transfer of sovereignty over hong kong in 1997 to the people's republic of china and the political economic and cultural impact of the social transition on education*

removing barriers to mobility and encouraging cross border freedom of movement have long been priorities for the nordic countries a series of analyses and reports have addressed the issue in punkaharju in 2007 the nordic prime ministers decided that it was time for this work to enter into a more operational phase and they set up the freedom of movement forum in addition to safeguarding citizens rights work on this issue makes the nordic countries more competitive and promotes economic growth
