no one in this country is untouched by the impact of diversity yet as diverse as diversity is are too the many different emotions and attitudes evoked by diversity as a nation we are not well equipped to deal with the swirling transitions that are converging on us on a daily basis because of the nature of being the most diverse country in the world this

text will well serve the purpose for many who decide to learn and teach the fundamentals of cultural diversity it will be beneficial for college students high school juniors and seniors and organizations whose ever changing workforce leads to the necessity of educating employees on how to deal with the diversity of employees and customers in a positive manner this timely publication is filled with current and relevant examples taken from pop culture from tv shows song lyrics and poetry of the times these excerpts make this publication much more interesting and easy for the reader to relate to and understand

cultural diversity is the variety of human societies or cultures in a specific region or in the world as a whole the term is also sometimes used to refer to multiculturalism within an organisation as well as the more obvious cultural differences that exist between people such as language dress and traditions there are also significant variations in the way societies organise themselves in their shared conception of morality and in the ways they interact with their environment it can be argued that cultural diversity may be vital for the long term survival of humanity and that the conservation of indigenous cultures may be as important to humankind as the conservation of species and ecosystems is to life in general this important book gathers the latest research from around the globe in the study of this dynamic field with a focus on related topics such as australian multiculturalism language identity in multicultural canada cultural diversity of immigrants and international trade cultural diversity tourism cross cultural knowledge of native americans and others

drawing on in depth ethnographic fieldwork wessendorf explores life in a super diverse urban neighbourhood the book presents a vivid account of the daily doings and social relations among the residents and how they pragmatically negotiate difference in their everyday lives

collected materials on cultural rights and diversity pages 101 227
