in this edition i have endeavoured to keep down additions as much as possible so as not to overload the book but i have not been sparing in adding cross references especially in the index and quotations from standard authors these quotations seldom give the first occasion on which a proverb has been used as in most cases it is impossible to find it i have placed an asterisk before all recognised proverbs these will serve as a first course for those students who do not wish to read through the whole book at once in a few cases i have added explanations of english proverbs during the eleven years i have been using the book i have frequently found that pupils were for instance as ignorant of to bell the cat as they were of attacher le grelot
