he disconnects the electricity to his residence and brings in camels to share his living space he burns his belongings he treks thousands of kilometers he observes silence for days on he wears coarse cotton he talks for hours on peace he does it all for a cause and for salik every action has a reason and an effect give him a syringe and he will draw out his own blood splash it on the soil and pay obeisance to the earth that molded him julius salik has done it nobel peace prize nominee and former federal minister of pakistan julius salik shares his life story and mission of world peace in peace journey

examining anew the notions of media imperialism and globalization of media this book disrupts the generalised consensus in media scholarship that globalization of media has put an end to media imperialism one elemental aspect of media imperialism is the structural dependency of television systems in the global south on the imperial north taking india and pakistan as its case studies this book views globalization of media as the unleashing of processes that have translated into the liberalization of air waves and privatization of television systems whereby commercialization of television is privileged over public interest television additionally it argues that the globalization of media has contributed to corruption tabloidization and marginalization of subaltern classes in the indian and pakistani media

translation and decolonisation interdisciplinary approaches offers compelling explorations of the pivotal role that translation plays in the complex and necessarily incomplete process of decolonisation in a world where translation has historically been a tool of empire and colonisation this collection shines the spotlight on the potential for translation to be a driving force in decolonial resistance the book bridges the divide between translation studies and the

decolonial turn in the social sciences and humanities revealing the ways in which translation can challenge colonial imaginaries institutions and practice and how translation opens up south to south conversations it brings together scholars from diverse disciplines and fields including sociology literature languages migration politics anthropology and more offering interdisciplinary approaches and perspectives by examining both the theoretical and practical aspects of this intersection the chapters of this agenda setting collection explore the impact of translation on decolonisation and highlight the need to decolonise translation studies itself the book illuminates the transformative power of translation in transcending linguistic cultural and political boundaries

daesh is worse than the taliban which is now trying to bring a new ideology as daesh ism which is anti islam this book brings out the alarming situation of presence of daesh in pakistan and its expanding activities it serves the international community as a reminder the role they need to play in crushing this monster

this book explores the richness of pakistan s religious landscape giving attention to a number of topics shia flagellation processions urdu language pulp fiction streetside rituals involving animals pariah kites and fortune telling parrots and the use of sorcery to contend with the jinns that are believed to infest cities such as lahore uniting these topics is an investigation of how islamist politicians seek to eradicate sectarian diversity and repress localized forms of muslim folk practices in the name of a standardized uniform and globalized version of islam the book looks at forms of resistance to this islamist globalization such as collaborative efforts by christian hindu and muslim human rights activists to repeal pakistan s notorious blasphemy law and assert the worth of religious pluralism
