between mass participation in two world wars and mass participation in communist parties in the 20th century millions of people across the globe addressed each other as comrade now it is more common to hear talk of allies on the left than it is of comrades in comrade jodi dean insists that this shift exemplifies the key problem with the contemporary left the substitution of political identity for a relation of political belonging that must be built sustained and defended in comrade dean offers a theory of the comrade as a mode of address figure of belonging and carrier of expectations for action comrades are equals on the same side of a political struggle voluntarily coming together in the struggle for justice their relation is characterized by discipline joy courage and enthusiasm considering the generic egalitarianism of the comrade in light of differences of race and gender dean draws from an array of historical and literary examples such as harry haywood clr james alexandra kollontai and doris lessing she argues

that if we are to be a left at all we have to be comrades
