with the average price of a new car now exceeding 16 000 this guide fully updated and revised annually provides consumers with the kinds of information needed to make the best choices evaluating a used car's fuel economy and performance level as well as its overall quality and repair record

over the past decade there has been a dramatic change in the role played by design automation for electronic systems ten years ago integrated circuit ic designers were content to use the computer for circuit logic and limited amounts of high level simulation as well as for capturing the digitized mask layouts used for ic manufacture the tools were only aids to design the designer could always find a way to implement the chip or board manually if the tools failed or if they did not give acceptable results today however design technology plays an indispensable role in the design of electronic systems and is critical to achieving time to market cost and performance targets in less than ten years designers have come

to rely on automatic or semi automatic cad systems for the physical design of complex ics containing over a million transistors in the past three years practical logic synthesis systems that take into account both cost and performance have become a commercial reality and many designers have already relinquished control of the logic netlist level of design to automatic computer aids to date only in certain well defined areas especially digital signal processing and telecommunications have higher level design methods and tools found significant success however the forces of time to market and growing system complexity will demand the broad based adoption of high level automated methods and tools over the next few years

this comprehensive pictorial overview of rover cars covers 1945 2005 models it describes and illustrates all the great classic rovers up to and including the sd1 british leyland models with rover badges the models designed in conjunction with honda the later british designed cars and finally the little known city rover
