the revised and updated 2nd edition of handbook of contemporary preaching is a comprehensive textbook on preaching and teaching the bible pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching

few vocations share more in common with preaching than stand up comedy each profession demands attention to the speaker s bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience s expectations and assumptions

they participate in a kind of dance that is at once choreographed and open to improvisation it is these and similar commonalities between preaching and stand up comedy that this book engages stand up preaching does not aim to help preachers tell better jokes the focus of this book is far more expansive given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions coupled with the perennial def comedy jams on hbo preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence this book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance

more than a century after his death in 1910 mark twain remains a lightning rod for controversy especially in matters of race class and gender the volatile views this iconic american author expressed in classics like adventures of huckleberry finn continue to provoke heated debate among antagonistic culture war factions however when citing his withering attacks on religion believers and atheists alike are often united in concluding that twain was either a mocking skeptic or a hostile atheist in there is no humor in heaven dwayne eutsey challenges the persistent view of twain as a hostile critic of religion by placing him within the prevailing liberal religious ethos of his time from hannibal to the western frontier and from hartford to the wider world eutsey contends twain s vocation as a humorist was rooted in his frustrated youthful ambition to become a preacher of the gospel throughout his life his friendships with several influential liberal ministers each of them espousing various forms of the era s diverse progressive theology informed not only twain s evolving religious worldview but his lecture performances and literary output there is no humor in heaven traces unconventional theological influences on twain ranging from african american spirituality freemasonry and frontier unitarianism to devout liberal christianity radical free religion and esoteric hinduism drawing from twain s writings documents personal notes and more there is no humor in heaven offers readers a radical re examination of the spiritually creative vitality of a controversial literary giant

published in 1884 huck finn has become one of the most widely taught novels in american curricula but where did huckleberry finn come from and what made it so distinctive shelley fisher fishkin suggests that in huckleberry finn more than in any other work mark twain let african american voices language and rhetorical traditions play a major role in the creation of his art in was huck black fishkin combines close readings of published and unpublished writing by twain with intensive biographical and historical research and insights gleaned

from linguistics literary theory and folklore to shed new light on the role african american speech played in the genesis of huckleberry finn given that book s importance in american culture her analysis illuminates as well how the voices of african americans have shaped our sense of what is distinctively american about american literature fishkin shows that mark twain was surrounded throughout his life by richly talented african american speakers whose rhetorical gifts twain admired candidly and profusely a black child named jimmy whom twain called the most artless sociable and exhaustless talker i ever came across helped twain understand the potential of a vernacular narrator in the years before he began writing huckleberry finn and served as a model for the voice with which twain would transform american literature a slave named jerry whom twain referred to as an impudent and satirical and delightful young black man taught twain about signifying satire in an african american vein when twain was a teenager later twain would recall that he thought him the greatest man in the united states at the time other african american voices left their mark on twain s imagination as well but their role in the creation of his art has never been recognized was huck black adds a new dimension to current debates over multiculturalism and the canon american literary historians have told a largely segregated story white writers come from white literary ancestors black writers from black ones the truth is more complicated and more interesting while african american culture shaped huckleberry finn that novel in turn helped shape african american writing in the twentieth century as ralph ellison commented in an interview with fishkin twain made it possible for many of us to find our own voices was huck black dramatizes the crucial role of black voices in twain s art and takes the first steps beyond traditional cultural boundaries to unveil an american literary heritage that is infinitely richer and more complex than we had thought

draws on confederate monuments as a preaching presence and site of contested speech to suggest localized strategies for transformative anti racist preaching

the reading and preaching of the scriptures in the worship of the christian church is a multivolume study by hughes oliphant old that canvasses the history of preaching from the words of moses at mount sinai through modern times in volume 1 the biblical period old begins his survey by discussing the roots of the christian ministry of the word in the worship of israel he then examines the preaching of christ and the apostles finally old looks at the development and practice of christian preaching in the second and third centuries concluding with the ministry of origen

the origins and influence of jim mark twain s beloved yet polarizing literary figure mark twain s jim introduced in adventures of huckleberry finn 1885 is a

shrewd self aware and enormously admirable enslaved man one of the first fully drawn black fathers in american fiction haunted by the family he has left behind jim acts as father figure to huck the white boy who is his companion as they raft the mississippi toward freedom jim is also a highly polarizing figure he is viewed as an emblem both of twain s alleged racism and of his opposition to racism a diminished character inflected by minstrelsy and a powerful challenge to minstrel stereotypes a reason for banning huckleberry finn and a reason for teaching it an embarrassment and a source of pride for black readers eminent twain scholar shelley fisher fishkin probes these controversies exploring who jim was how twain portrayed him and how the world has responded to him fishkin also follows jim s many afterlives in film from hollywood to the soviet union in translation around the world and in american high school classrooms today the result is jim as we have never seen him before a fresh and compelling portrait of one of the most memorable black characters in american fiction

you recall the expression toting the lead row don t you in chopping cotton or corn there is always a leader one who can chop the fastest of them all when he finishes his row he goes back and helps the other choppers finish theirs the one who totes the lead row takes the lead place in the next row ruby pickens tartt as a young woman growing up in livingston in the black belt region of alabama ruby pickens tartt developed a keen interest in the stories songs and folklore of rural blacks born in 1880 this remarkable woman lived through 94 years of dramatic change for blacks and whites alike she was certain that the very essence of her native sumter county lay on the back roads in the cabins hidden nearby and with the black people who lived there their singing and their stories captivated her the preservation of their heritage became life long commitment in her collection work including service with the wpa writers project ruby pickens tartt worked with and assisted other collectors of folklore notably carl carmer and john lomax indeed her livingston home became a mecca for folklorists and writers in helping them all truly mrs tartt was toting the lead row toting the lead row is divided into two major parts the first is biographical and told in detail is her work during the depression with the federal writers project collecting folk songs and life histories and gathering folklore the second part contains selecting writings of ruby pickens tartt 18 life histories and stories and 12 slave narratives
