james is one of the most significant yet generally overlooked letters of the new testament because martin luther leader of the protestant reformation disliked the book of james for its emphasis on good deeds the book has come to be viewed in opposition to paul's letters which emphasize faith in god to correct these and other misperceptions about james scripture scholar luke timothy johnson embarks on a thorough history of the interpretation of this pivotal letter which highlights the vast appreciation for james over the centuries with respect to the question of who wrote the letter of james johnson boldly identifies the writer as none other than james the brother of jesus christ while modern skepticism casts doubt on this conclusion early textual witnesses as well as saints and scholars throughout the centuries corroborate johnson's position a thorough examination of the original language texts and an explanation of the literary context of james helps illuminate the original meaning of the letter in addition johnson offers the general reader insights into the letter's relevance for today

few new testament books have been as controversial and misunderstood as the letter of james its place in the canon was contested by some early christians and the reformer martin luther called it an epistle of straw the sometimes negative view of the letter among modern theologians however is not shared by ordinary believers few books in the new testament are better known or more often quoted and because james is so concise so intensely practical and so filled with memorable metaphors and illustrations it has become one of the two or three most popular new testament books in the church the highly original commentary on james by respected new testament scholar douglas moo combines penetrating

the epistle of james is often poorly understood beyond questions of authorship and dating its contents are troubling its

powerful accusations of sin seem to overshadow the gospel for this reason luther called it an epistle of straw and questioned whether it should be in the bible at all author david scaer thinks differently and he shares his insights with us in james the apostle of faith as the title indicates faith in christ and the comforting gospel are prominent in many places throughout this epistle far from being a dreary series of moralisms james is filled with references to the atonement faith and forgiveness the sublime gospel themes of the new testament particularly revealing are many parallels between the epistle of james and the gospel of matthew especially the sermon on the mount and jesus agricultural parables in this study of james dr scaer makes exciting discoveries some of which will surprise you you may not agree with everything he says but your thinking will certainly be stimulated dr paul maier professor of ancient history at western michigan university and author of several best selling studies of the new testament provides a most interesting and informative foreword giving valuable historical background about james the brother of our lord and the times in which he lived

a study of the book of james will unveil some of the most practical christian faith topics found in the new testament truths are revealed in james concerning faith in action overcoming adversities personal spiritual growth sensitivity in personal relationships serving those around us using wisdom to control ones tongue and using wealth in gods service the book was written by james identified as the brother of jesus christ in mark 6 3 to the twelve tribes of israel which were scattered throughout the roman empire because these early believers did not have the support of established christian churches james wrote to them as a concerned leader and servant of god to encourage them in their faith during difficult times as they waited for the next coming of the lord jesus christ

jews have sometimes been reluctant to claim jesus as one of their own christians have often been reluctant to acknowledge the degree to which jesus message and mission were at home amidst and shaped by the judaism s of the second temple period in the jewish teachers of jesus james and jude david desilva introduces readers to the ancient jewish writings known as the apocrypha and pseudepigraphy and examines their formative impact on the teachings and mission of jesus and his half brothers james and jude knowledge of this literature desilva argues helps to bridge the perceived gap between jesus and judaism when judaism is understood only in terms of the hebrew bible or old testament and not as a living growing body of faith and practice where our understanding of early judaism is limited to the religion reflected in the hebrew bible jesus will appear more as an outsider speaking against judaism and introducing more that is novel where our understanding of early judaism is also informed by the apocrypha and pseudepigraphy we will see jesus and his

half brothers speaking and interacting more fully within judaism by engaging critical issues in this comparative study desilva produces a portrait of jesus that is fully at home in roman judea and galilee and perhaps an explanation for why these extra biblical jewish texts continued to be preserved in christian circles

put some muscle behind your faith we live in a world characterized by instability in fighting materialism and words without actions sadly no one is immune to these problems centuries ago the apostle james could not envision the world we would live in but he did address the issues we would face building a bridge between first century christianity and our lives today james faith in action shows how christianity can work in a postmodern world and calls you to an active allegiance to jesus christ and a commitment to living out your faith through bold action 10 studies for individuals or groups

no matter where you are on your faith journey you are invited to kick it up a notch with serving the lord an evangelical bible study guide on the book of james there is no better way to grow in spiritual maturity than faithfully serving god and his people and no better example of a devoted servant than james the brother of jesus james makes it clear that serving the lord means putting faith into action in tangible ways that produce healthy fruit faith that consists merely of good intentions or intellectual assent is incomplete or dead authentic faith always produces evidence of holy living and good deeds by the grace and power of the holy spirit such as mercy ministry to the poor protecting the defenseless rejecting worldliness praying for the sick and much much more christians are to let all kinds of trials become tests that strengthen their faith and yield righteous works not to earn salvation but to give evidence of it the result is spiritual perseverance that leads to eternal glory it may not make sense to the rest of the world but believers count troubles as pure joy because in christ their troubles ultimately have a redemptive purpose today is the day to see for yourself what a practical difference serving the lord can make in your walk with god
