one of the most enduring images of quebec s quiet revolution is of charles de gaulle proclaiming vive le québec libre from the balcony of montreal city hall in 1967 the french president s provocative act laid bare canada s unity crisis and has dominated interpretations of the canada quebec france triangle ever since with friends like these demystifies this cri du balcon by shifting the focus from de gaulle to the broader domestic and international forces at play meren traces the evolution of quebec s special relationship with france after the second world war and reveals that the resulting clash of nationalisms french québécois and canadian was fuelled not only by personalities and events but also by the efforts to respond to the power and influence of the united states in an increasingly interconnected world by seeking to understand rather than simply condemn aspects of quebec gaullist and canadian nationalism meren casts doubt on established interpretations of events and exposes the complexity of a growing international interest in canadian affairs

this is the first truly comprehensive study in any language of the writings of louis guilloux it embraces all his fiction including his short stories to which little or no attention has previously been paid the title refers to guilloux s lifelong stance an empathetic witness and listener to the lives of other people who lifts anecdotes to the level of social and psychological life studies highly valued by writers such as malraux and camus guilloux s work is studied here under several key categories which represent overlaps and tensions rather than bleak opposites memory and forgetfulness the shifting relationship of individual and community roots stasis and escape movement guilloux and committed literature la maison du peuple les batailles perdues and the trip to the ussr with gide and dabit a long chapter is devoted to a close reading of guilloux s baroque masterpiece le sang noir a much richer and less cerebral epic of an intellectual enmeshed in a provincial society than its successor sartre s la nausée detailed attention is given to guilloux s recycling of the model for the hero cripure the rogue elephant thinker georges palante le sang noir is a haunted book guilloux s experiments with chronological dislocation le jeu de patience with narrative voices essais de voix coco perdu with multiple personality la confrontation and with the ambiguous pseudo science of physiognomy passim are all fully analysed throughout wherever called for the culturally cosmopolitan guilloux is compared or contrasted with writers from various countries dostoevsky tolstoy gorky silone dickens vallès camus and sartre this is a matter less of influence than of guilloux s choice of companions
