in this work sullivan digs deeper melding his own experiences as an activist with perspectives gleaned from other industry experts to help you learn about the books that boys love to read uncover the signs that point to the reading gap find creative programming ideas to match boys interests and more

this book is an exposition of what is currently known about the fundamental groups of compact kähler manifolds this class of groups contains all finite groups and is strictly smaller than the class of all finitely presentable groups for the first time ever this book collects together all the results obtained in the last few years which aim to characterize those infinite groups which can arise as fundamental groups of compact kähler manifolds most results are negative ones saying which groups don not arise the methods and techniques used form an attractive mix of topology differential and algebraic geometry and complex analysis the book would be useful to researchers and graduate students interested in any of these areas and it could be used as a textbook for an advanced graduate course one of its outstanding features is a large number of concrete examples the book contains a number of new results and examples which have not appeared elsewhere as well as discussions of some important open questions in the field

comprehensive survey of the legend of charlemagne in the medieval german speaking world the legend of the frankish emperor charlemagne is widespread through the literature of the european middle ages this book offers a detailed and critical analysis of how this myth emerged and developed in medieval german and dutch literatures bringing to light the vast array of narratives either idealizing if not glorifying charlemagne as a political and religious leader or at times criticizing or even ridiculing him as a pompous and ineffectual ruler the motif is traced from its earliest origins in chronicles in the kaiserchronik through the rolandslied and der stricker s karl der gro^{ße} to his recasting as a saint in the zürcher buch vom heiligen karl
