for more than 20 years network world has been the premier provider of information intelligence and insight for network and it executives responsible for the digital nervous systems of large organizations readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce

personalist economics moral convictions economic realities and social action examines the nature of the worker and consumer from a personalist perspective comparing that body of knowledge to what is received from conventional economics a running theme throughout this book is that personalist economics is attentive to both aspects of human material need physical need and the need for

work as such in a way that does not disregard human wants accordingly this book is more concerned about the philosophical base and description of the economy's significant characteristics than social economic policy personalist economics explores four dimensions of particularly acute human physical need unemployment poverty homelessness and death in addressing these four aspects of need the book delves into the second and third domains of social economics description of the significant characteristics of the economy and social economic policy in the same way personalist economics explores two types of economic cooperation supra firm alliances and inter firm partnerships as means for addressing certain aspects of human material need this book concludes with a lengthy discussion of the challenges facing personalist economics in the years ahead
