in this provocative book Terhi Rantanen challenges conventional ways of thinking about globalization and shows how it cannot be understood without studying the role of the media Rantanen begins with an accessible overview of globalization and the pivotal role of the media

this collection brings together major and emerging media analysts to consider key processes of media change using a number of critical perspectives the editors present a formidable range of theoretical viewpoints and approaches applied to a broad and fascinating variety of case studies from reality television to the bbc world service from blogging to control of copyright

media theory is an accessible yet challenging guide to thinking about media and communications in modern life shaun moores connects the analysis of media and communications with key themes in contemporary social theory time space relationships meanings and experiences he insists that media studies are not simply about studying media rather they require an understanding of how technologically mediated communication is bound up with wider processes in the modern world from the reproduction of social life on an everyday basis to the reorganization of social relations on a global scale drawing on ideas from a range of disciplines in the humanities and social sciences media theory makes a distinctive contribution towards rethinking the shape and direction of media studies today

how much are today s youth actually influenced by violence in the media people who would never dispute the positive influence of programs like sesame street are reluctant to acknowledge that other programming may do harm as early as the 1930s however parents were expressing concerns about the content of various media including radio and comic books today almost every violent crime perpetrated by a young person is probed for evidence of media influence often while other contributing factors are ignored with an in depth look at media violence and its possible influence on young viewers this book examines how the media made me do it defense has affected today s courtrooms highly publicized cases such as those of lionel tate and joshua cooke both of whom used media influence television wrestling and the matrix respectively as part of their defense are discussed in detail other topics include the creation and maintenance of rating systems parental involvement and ultimate responsibility

providing a comprehensive introduction to the culture technologies history and theories of new media this book considers the ways in which they really are new assesses whether a media and technological revolution is under way and formulates ways for media studies to respond to new technologies

the recent economic crisis and the challenges to democracy in an increasingly globalized world brings into sharp relief the importance

of mass communication this volume explores a range of issues from the nature of communication to the role of the media industry to the way that mass communication has facilitated social movements in many parts of the world revisiting the works of karl marx and others the essays bring a new perspective and a renewed interest in critical analyses of communication practices globally this collection represents the cutting edge of communication research introducing a new generation of scholars to understanding changes in the way we learn about our society contributors are arthur asa berger oliver boyd barrett savař Çoban john bellamy foster christian fuchs douglas kellner robert w mcchesney david miller marisol sandoval nick stevenson gerald sussman mandy tröger and michael wayne

ideologies have not been a focus of interest in the field of humanities and social sciences in recent decades but rethinking the power of ideologies in the media sphere has recently returned to the scholarly discussion the compilation book mediated ideologies nordic views on the history of the press and media cultures participates in this by providing selected yet justified approaches to media history from the point of view of ideological uses of media in the nordic region in this book the role of media comprising both popular media and news journalism as a forum for ideologies and their circulation will be analyzed by focusing on the nordic region the perceived similarities in the media systems of the nordic countries constitute a perfect extent for a regional media history against not only a european but also a global backdrop this does not mean that there have not been many national differences the book does not provide a chronological narrative of nordic media history still the ideology of media is approached not only from the standpoints of different media forms film television newspapers magazines and periodicals but also from several historical periods from the mid 19th century to the late 20th century the chapters show the multidimensional role that the media has in transmitting ideologies to their audiences and the public sphere they also demonstrate that analyzing the role of different ideologies such as modernization nationalism solidarity feminism and peace movement in media history provides wider perspectives in understanding past and present media landscapes and people s mediated experiences that are fostered by them mediated ideologies nordic views on the history of the press and media cultures can be used both as a reference book and as a classroom adaption in the field of media communication and history studies

in this major new work thompson addresses these and other questions by elaborating a distinctive social theory of communication media and their impact

mass media has become an integral part of the human experience news travels around the world in a split second affecting people in other countries in untold ways although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story the selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

the public is so central to discussions of the role of broadcasting in civil society that it often passes without comment this work offers a critical insight into this key component of media policy and practice it covers areas such as techniques of political interview and political discussion programmes

a study of media and minorities both the representations of minorities by dominant society outsiders and indigenous self representation and media creation in film television radio print and new media

nukespeak the official language of nuclear war dehumanises and legitimates the arms race with contributions from prominent journalists academics and disarmament activists nukespeak examines this crucial aspect of the nuclear debate it also looks at examples of censorship at journalistic practice at the language itself and what practical steps can be taken to redress the balance a useful and controversial intervention in the current argument about whether britain should relinquish the bomb from the back cover

an introduction to caring for children of all ages this text presents growth and development in detail with an overview of theories and a chapter on each age group that gives students the needed foundation for practice illnesses are organized by age groups

the latest edition of this popular text retains the easy to read clear writing style and organization that has made it successful while integrating cutting edge information and updating existing content thompson s pediatric nursing is organized by developmental stages it offers a number of useful tools that help students retain the fundamental concepts of pediatric nursing such as nursing briefs communication alert boxes community cues data cues nursing care plans and procedures references and suggested readings have been updated throughout to encourage students to further research topics
