in afterlives the literary scholar camilla storskog investigates how classics with scandinavian origin have been reinterpreted as comics she sets out how literary works plays and films have crossed and recrossed the boundaries of language and media speaking to new times and new contexts comic art adaptations have long been neglected by academics so in this book the author considers them as unique visual media with their own aesthetic technical and narrative qualities

contemporary european playwrights presents and discusses a range of key writers that have radically reshaped european theatre by finding new ways to express the changing nature of the continent s society and culture and whose work is still in dialogue with europe today traversing borders and languages this volume offers a fresh approach to analyzing plays in production by some of the most widely performed european playwrights assessing how their work has revealed new meanings and theatrical possibilities as they move across the continent building an unprecedented picture of the contemporary european repertoire with chapters by leading scholars and contributions by the writers themselves the chapters bring playwrights together to examine their work as part of a network and genealogy of writing examining how these plays embody and interrogate the nature of contemporary europe written for students and scholars of european theatre and playwriting this book will leave the reader with an understanding of the shifting relationships between the subsidized and commercial the alternative and the mainstream stage and political stakes of playmaking in european theatre since 1989
