in this cross cultural interdisciplinary study john hick draws upon major world religions as well as biology psychology parapsychology anthropology and philosophy to explore the mystery of death he argues that scientific and philosophical objections to the idea of survival after death can be challenged and he claims that human inadequacy in facing suffering

supports the basic religious argument for immortality

traces the development of the idea of eternal life as it changed to one of personal survival through modern influences such as marx freud the search for the historical jesus and vatican ii to today s thinking that we begin the afterlife now by currently working to build up the kingdom of heaven here on earth the book takes a historical approach first then considers biblical studies and apocalyptic questions then takes on popular questions such as is there sex in heaven

the existence by theodore ihejieto the existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life it is a book of planet earth which the planet earth gave to the author because the author asked the planet earth for the book of the world the author is a human being who lost faith in god and called on planet earth to do work and save human beings from evil and death in the world this is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection the author did not like to die in the world and told his existence that he did not want to die because the author believed that planet earth has the power to save human beings in the world the existence is the faith the hope and the charity that god challenged human beings to find and tell the mountain of evil and death to move away from human beings

the question about life after death has puzzled and tormented humanity for eons and must be addressed by every generation recent investigations in medical research have increased and focused attention on old beliefs about the meaning of life and beyond during an era dominated by rationalism and a materialist mind set even raising the question about surviving death has been an embarrassment to some theologians but is there eternal life and if so what is this supposed to mean at a time when our present life is continually improving progressing to increasingly higher standards and better quality these are some of the topics considered in this book the author discusses the medical philosophical and theological problems that arise from a consideration of these age old questions and presents a thought provoking analysis of the modern dilemma of the rethinking of ancient problems
