president juliys kambarage nyerere was the first president of the united

republic of tanzania and founder of the nation he came into power through the ballot a democratic process held in 1961 and remained in power for more than two decades mwalimu nyerere was a gifted and morally upright man he was a true son of africa a panafricanist a nationalist charismatic orator steadfast thinker diplomat and above all a teacher he chose to be called simply mwalimu teacher throughout his term of office he gave hundreds of speeches some were prepared in advance others given extemporaneously the mwalimu nyerere foundation founded by mwalimu nyerere himself in 1996 has assembled and put his speeches and writings into books the quotations in this book are only those picked from the books in freedom series and his university lectures they are presented and arranged under the following themes philosophy of life equality of man colonialism tanzanias revolution democracy selfreliance rural development nonalignment african unity the united nations leadership and education

international development has complex unintended effects on the realities of equity rights governance and conflict in poor countries yet the myriad moral questions and quandaries encountered at every turn by development policymakers and practitioners are seldom thought about or articulated in a rigorous fashion instead development specialists are trained to focus on the technocratic aspects of economic aid delivery and to disregard the moral issues raised by the adverse collateral consequences of aid programs for many people communities institutions and environments in the developing countries reclaiming value in international development is the first book to bridge the divide between ethics and development from the perspective of a seasoned development practitioner who is also a trained ethicist schwenke formally enlarges the concept of development to include its moral dimension to denote beneficial change that alleviates human misery and environmental degradation in poor countries and reinforces universal ethical norms such as human dignity essential freedoms social justice peace civic virtue human flourishing the common good gender equality safety and security and participation and inclusion she applies this ethically expanded concept to nine key topics in international development education leadership procurement food security conflict urbanization gender identity and sexual orientation deliberative participation and the measurement of ethical performance throughout the book the author draws on her thirty years of experience as a development practitioner in thirty poor countries around the world to give vivid real life illustrations of the classic moral dilemmas in development ethics and to show how moral reasoning can clarify and resolve them

this book presents the first truly rounded portrait of nyerere s early life from his birth in 1922 until his graduation from edinburgh in 1952 helping us to see his later political achievements in a new light it was after returning to tanganyika that mwalimu the teacher formally entered politics and led efforts to deliver tanganyika to independence publishers website

pamphlet of statements on social change and economic development in africa discusses various aspects of human rights equality and dignity in society the tasks of the political party non alignment and the church the reason for choosing socialism in africa etc

this is the fourth edition of nyerere and africa end of an era it is also the largest and includes new material not found in previous editions the work is a comprehensive study of the political career of president julius nyerere spanning half a century the author takes a critical look at nyerere s policies and influence in the domestic and international arenas for an objective evaluation of the life and times of one of the most influential leaders in the twentieth century the major role he played in the liberation of southern africa is just one of the subjects addressed by the author he also provides insights into nyerere s personality from some of the people who knew him best included in the book are interviews with some of the people who knew nyerere since his childhood some of them were his teachers and they outlived him others were his schoolmates and colleagues in government and when he was a teacher and some of them were his students also included are interviews with some of his family members this is an essential study of post colonial africa it is also a study in political leadership and cold war politics in the african context among many other subjects addressed in the book which should serve as a reference text for scholars and laymen alike interested in africa and the third world in general

monograph of selected writings and statements on the political doctrine and development policies of socialism in tanzania includes illustrations

this collection contains major papers delivered at a conference dedicated to the memory of julius nyerere held in january 2000 at the institute for african studies of the russian academy of sciences
