now for the first time ever he reveals what it takes to achieve total mental and physical dominance showing you how to be relentless and achieve whatever you desire direct blunt and brutally honest grover breaks down what it takes to be unstoppable you keep going when everyone else is giving up you thrive under pressure you never let your emotions make you weak in the relentless 13 he details the essential traits shared by the most intense competitors and achievers in sports business and all walks of life relentless shows you how to trust your instincts and get in the zone how to control and adapt to any situation how to find your opponent's weakness and attack grover gives you the same advice he gives his world class clients don't think and shows you that anything is possible packed with previously untold stories and unparalleled insight into the psyches of the most successful and accomplished athletes of our time relentless shows you how even the best get better and how you can too

staying the distance showcases the much needed leadership lessons that sport can teach us how to improve perform and achieve in ways that are effective and sustainable leadership can be hard it can certainly be relentless the pandemic has wreaked havoc on the well being health and sustained performance of many senior leaders and yet strong leadership remains central to the performance of every single organization business leaders are very familiar with drawing lessons from elite sport particularly around teams leadership and high performance but we have all been missing a trick day in day out sport has been showing us not only how to improve perform and achieve but how to do so on a sustained basis consistently delivering results when it matters this book shines a light on these unseen lessons and provides a clear and practical roadmap for how to deploy them in the reader's own leadership practices with catherine baker's unique view into world class sport and top level business and with insights from top performers in both worlds this book provides a fresh and dynamic take on how consistently and over the long term to bring out the best in yourself and in those you lead

in the twenty first century britain faces new challenges from disruptive technology an ever more competitive world and an ageing population structured around a radical manifesto for free enterprise a time for choosing offers a significant contribution to the public debate about the future direction of britain's government

force for good is a bold and refreshingly balanced exploration of positive masculinity written to inspire men to become powerful forces for good in a world that desperately needs them to step into this role the book challenges

the extremes that often define the discourse around masculinity aggressive dominance on one side and passive disengagement on the other it offers a vision of true and healthy masculinity that is both strong and gentle fierce and safe confident and humble at its core is the conviction that men are made to be powerful forces but only in service of what is good power often misunderstood or negatively viewed is essential without it a man cannot fulfil his potential or meet the needs of those who depend on him power itself is neutral how it is used determines whether it becomes a force for good or harm the book is divided into three parts being man becoming a force and doing good and builds a compelling case for the value of healthy masculinity it explores the internal and external battles men face the journey from boyhood to manhood and the sacred responsibility to grow in strength and purpose force for good calls men to action not against others but for the good of others it is a timely courageous invitation to be all that a man was made to be because such a man will be a force for good
