curriculum and specification experts this student book supports and extends students through the new linear course while delivering the breadth depth and skills needed to succeed in the new a level and beyond

at a time when many european nationalist movements are attempting to preserve their culture by rejecting immigration and diversification openness to immigration and diversity is a central political strategy for scottish nation building making scotland a key case study for how nationalist sentiments and cosmopolitan identities can join together this book discusses whether the pro immigration strategies implemented by the scottish political leadership could be employed elsewhere addressing ongoing public debates about minority integration and multiculturalism in western democracies and the potential power of local or national political elites to steer rhetoric against anti immigrant forces

over the course of the years 2000 to 2004 a series of archaeological investigations were undertaken by birmingham university field archaeology unit bufau now birmingham archaeology in advance of quarrying at whitemoor haye quarry alrewas staffordshire investigations followed earlier work at the quarry also undertaken by bufau between 1997 and 1999 the most recent campaign of excavation provided evidence of the late neolithic early bronze age funerary landscape toward the north of the concession alongside a predominantly iron age and romano british agrarian landscape towards the south in several ways the archaeological findings reiterate those recorded previously however key discoveries have also greatly expanded our knowledge and understanding of this significant landscape significantly during this series of excavations discoveries were made of late neolithic and early bronze age funerary monuments and cremations these have reinforced the contention that the northernmost region of what is now the quarry concession situated nearer the confluence of the rivers tame trent and mease was a focus of great symbolic and cultural importance during these periods whilst the recovered archaeobotanical material from the site proved to be limited the assemblage remains one of the earliest recovered in staffordshire and provides valuable information on possible funerary practices associated with the cremations just a few kilometres to the north the site of the catholme ceremonial complex may well have acted as a central place in this ritual landscape with the henge monument in the vicinity of the national memorial arboretum at alrewas located between the two areas it is possible that the northernmost part of whitemoor haye provided the southern boundary of the ritual landscape at this significant river confluence this volume is the second in birmingham archaeology s new monograph series
