the us led air strikes on afghanistan that began on 7 october 2001 are only the latest episode in a conflict that has lasted 20 years this conflict has left afghanistan s infrastructure devastated and its people at the bottom of the un s human development indices this new report situates afghanistan in its regional and international context it explains the political social religious and ethnic factors underlying the country s recent history debunking some of the simplistic and stereotyped views of the country and its population the report also gives a detailed picture of the interaction between domestic conditions and foreign interests that led to the rise and dominance of the taliban it describes the impact of prolonged conflict on the people of afghanistan and the way in which the conflict has become ethnicized it ends with a set of recommendations to prevent the escalation or perpetuation of the conflict

haber and gratton lay to rest many conventional assumptions concerning the place of older persons in american history choice haber and gratton s meaty little book does more than provide an intelligent synthesis of existing old age history its new interpretations insights and shifts of emphasis will provoke responses and help move historians work away from the now threadbare original disputes in e field toward new questions and approaches american historical review indeed haber and gratton give us a refreshingly multidimensional history of the shift in old age security from work assets or children to government annuities contemporary sociology the history of old age has finally come of age the authors successfully synthesize the best of the earlier social and cultural studies with new empirical evidence and recent findings of economic historians journal of economic

history a truly revisionary interpretation of the cultural and structural forces that shaped the elderly's lives from the colonial period to the present lucid and controversial it is bound to be widely cited and hotly contested w andrew achenbaum this social history of the american elderly offers a provocative new view of aging in the united states it revises traditional assumptions about the economic status of the old and challenges the long held contention that industrialization destroyed family relationships

this book traces the origin of the legend of el dorado and the various expeditions that set out to locate that mysterious land of untold wealth in south america motivated by both fanciful rumors of a golden city ruled by a man who coated himself daily with gold dust and the more practical allure of a region abundant in cinnamon trees a spice that was worth its weight in gold to europeans many conquistadors convinced themselves that another native empire awaited their conquest these quests for fortune and glory would lead to an encounter with fierce female warriors who were believed to be the amazons of ancient greek lore and the discovery of the mighty river later named for the legendary amazon tribe the first half of this book details the lesser known accounts of german interest in locating the wealth of a golden kingdom called xerira and an elusive passage at venezuela's lake maracaibo which supposedly led to the pacific ocean the second section focuses on the various spanish efforts to discover el dorado each of which was eventually doomed to despair disappointment and death

at long last james madison has his memorial on capitol hill and in this grand library building as the bicentennial of the framing of our constitution approaches here we provide monumental evidence that our nation has not forgotten the chief architect and advocate of our still vital constitution historians will probably agree that james madison was less effective as a politician than as a statesman a scholar and a political philosopher if the politician must have his eye on the next election and the statesman on the next generation this library invigorated by the quiet scholarly spirit of madison can remind us of the vistas of the past and future generations foreword

microsoft office sharepoint server 2007 has improved and changed dramatically over previous versions of the product the capabilities of the platform have expanded greatly with the inclusion of an automated workflow engine web content

management capabilities and a vast number of document management enhancements however the value of this tool to an enterprise will depend primarily on the ability of individuals in the organization to understand the features and capabilities of the platform and effectively map those to specific business requirements this book is designed to mentor and coach business and technical leaders in an organization on the use of sharepoint to address critical information management problems it gives detailed descriptions and illustrations of the product s functionality and also includes realistic usage scenarios to provide contextual relevance and a personalized learning experience to the reader the mission of this book is to provide extensive knowledge to information workers and site managers that will empower them to become sharepoint application champions in the organization this book should be the premiere handbook of any active or aspiring sharepoint expert to complete the exercises in this book you should have a basic comfort level using microsoft office application to create content and a general understanding of how to interact with a web site through the browser this book is intended as a starting point for any sharepoint 2007 user whether that user has never used sharepoint before or has some familiarity with a previous version and just wants to understand the differences with the new release

at the center of this book are the stories of three very different young women who share their experiences of sexual abuse in childhood and adolescence drawing on research from both clinical and developmental psychology it explores the formation of a separate yet social self as well as the ways in which sexual abuse may disrupt that process the young women s narratives become a lens through which to examine how their identities are linked to self and social constructions of gender power sex and abuse
