if the brain is the theatre consciousness is the play but who or what controls what we watch and how we watch it in theatre of the mind jay ingram whose past scientific investigations include the properties of honey on toast and the complexities of the barmaid's brain tackles one of the most controversial of subjects consciousness scientists have long tried to map our brains and understand how it is that we think and are self aware but what do we really know any discussion of the brain raises more questions than answers and ingram illuminates some of the most perplexing ones what happens in our minds when we're driving and we suddenly realize that we don't remember the last few miles of highway how do we remember images sounds and aromas from our past so vividly and why do we often recreate them so differently in our dreams ingram's latest book is a mind bending experience a cerebral stylish ride through the history philosophy and science of the brain and the search for the discovery of the self

the last sixteen years of james baldwin's life 1971-87 unfolded in a village in the south of france in a sprawling house nicknamed chez baldwin in me and my house magdalena j zaborowska employs baldwin's home space as a lens through which to expand his biography and explore the

politics and poetics of blackness queerness and domesticity in his complex and underappreciated later works zaborowska shows how the themes of dwelling and black queer male sexuality in the welcome table just above my head and if beale street could talk directly stem from chez baldwin s influence on the writer the house was partially torn down in 2014 accessible heavily illustrated and drawing on interviews with baldwin s friends and lovers unpublished letters and manuscripts me and my house offers new insights into baldwin s life writing and relationships making it essential reading for all students scholars and fans of baldwin

a novel approach to understanding the work of james baldwin and its transformative potential the relationship of james baldwin s life and work to black religion is in many ways complex and confounding what is he doing through his literary deployment of religious language and symbols despite baldwin s disavowal of christianity in his youth he continued to engage the symbols and theology of christianity in works such as the amen corner just above my head and others with jimmy s faith author christopher w hunt shows how baldwin s usage of those religious symbols both shifted their meaning and served as a way for him to build his own religious and spiritual vision engaging josé esteban muñoz s theory of disidentification as a queer practice of imagination and survival hunt demonstrates the ways in which james baldwin disidentifies with and queers black christian language and theology throughout his literary corpus baldwin s vision is one in which queer sexuality signifies the depth of love s transforming possibilities the arts serve as the religious medium of knitting black community together an agnostic and affective mysticism undermines christian theological discourse androgyny troubles the gender binary and the black child signifies the hope for a world made new in disidentifying with christian symbols jimmy s faith reveals how baldwin imagines both religion and the world otherwise offering a model of how we might do the same for our own communities and ourselves

black ephemera explores the crisis and the challenge of the black musical archive in a moment when black american culture has become a global import yet the cultural dna of that culture is becoming obscured in the transformation from analog to digital
