werner g jeanrond approaches hope from the perspective of a theology of love he distinguishes human hopes from the hope which god has given to humanity jeanrond discusses the challenges of a christian praxis of hope in today s world and invites both a new conversation on a future with god and a reassessment of the potential of hope for christian discipleship jeanrond argues that memory is important for hope and that nobody can hope for herself or himself alone hope thus invites personal communal political and global participation and transformation moreover it gives rise to a powerful constellation of symbolic expressions including judgement heaven hell and purgatory that call for ongoing interpretation ranging from radical hope and the hope for salvation to the power of judgment and contemporary fears about the future of nations humankind and the world jeanrond s latest work offers a theological contribution to the multireligious conversation on hope death and the human future in our universe
