kawasaki eager to grab their own slice of the glory was the last of the major japanese manufacturers to enter the high octane world of grand prix motorcycle racing although the company had a long history of engineering innovation it adopted motorcycles relatively late in

the day however kawasaki did more than simply copy what the other far eastern firms were producing and struck out on their own with some truly innovative designs these were machines which are still regarded as classics today this then is the story of how a previously little known japanese conglomerate became a household name in the west through its trailblazing motorcycles which were larger and faster than anything that their rivals had at that time kawasaki chose to showcase their machinery in the isle of man at the world famous tt races and in the 1970s the era of big hair big flares and even bigger engines they ripped up the record book time after time the so called green meanies became part of tt folklore and the era of kawasaki dominance was to be one of the most exciting in the history of the event

this title introduces readers to personal watercraft different types of personal watercraft are examined as are their parts and how they operate a short history of the sport is included as is a discussion of its risks and appropriate safety equipment competitive events such as watercross freeriding and super course are explained including rules and judging xtreme facts provide additional information on this exciting sport aligned to common core standards and correlated to state standards a d xtreme is an imprint of abdo publishing company a division of abdo
