introductionwhat is a personal network and how does it help me in my personal performance how can i develop one effectively what kind of people do i need to include in my network what characteristics do i need to run a network are there any plans that help me achieve the goals i have in mind what will you learn this text points out the importance of personal networks to achieve a successful

professional career as well as the characteristics they must have loyalty and generosity among members thinking about helping members rather than oneself and having some superconnector members for their part the networker must be a sociable and patient person they must have a personal brand with a unique message to accompany that brand in addition given that the ultimate goal is to have a successful career we touch on the goals and the reasons why we establish them following this theme the author proposes a network action plan which will help us to follow a series of activities that will help us achieve the objectives we want in the same way it is emphasized that individuals should not forget their passion but rather we should find a way to combine them with our activities to achieve a professional career with which we are satisfied about the original book the main theme of this book is the importance of personal networks on the road to success throughout this text you will find suggestions that will help you develop your network in addition the author will propose the structure of a plan that allows us to work intelligently to meet our objectives finally the necessary elements will be established so that each individual develops their own personal brand about keith ferrazzi the author of the original book from humble origins keith ferrazzi began his professional life by applying the principles he shares in this book creating a social network that would allow him to help other people this process allowed him to develop and master the tools to develop this type of organization currently he is a successful businessman and is considered to be an expert in the field of marketing this book is based on the beliefs of ferrazzi who maintains that generosity is the basic pillar of a successful career throughout his text we will find tips and the structure that the author himself followed to become the successful man he is today

it is a fact of life birds flock fish school people tribe malcolm gladwell and other authors have written about how the fact that humans are genetically programmed to form tribes of 20 150 people has proven true throughout our species history every company in the world consists of an interconnected network of tribes a tribe is defined as a group of between 20 and 150 people in which everyone knows everyone else or at least knows of everyone else in tribal leadership dave logan john king and halee fischer wright show corporate leaders how to first assess their company's tribal culture and then raise their companies tribes to unprecedented heights of success in a rigorous eight year study of approximately 24 000 people in over two dozen corporations logan king and fischer wright discovered a common theme the success of a company depends on its tribes the strength of its tribes is determined by the tribal culture and a thriving corporate culture can be established by an effective tribal leader tribal leadership will show leaders how to employ their companies tribes to maximize productivity and profit the author's research backed up with interviews ranging from brian france ceo of nascar to dilbert creator scott adams shows that over three quarters of the organizations they've studied have

tribal cultures that are adequate at best
