starfleet corps of engineers the assignment seemed mundane enough clearaway a junk pile of abandoned ships that are adrift in a region of space that is in the way of a convoy of colony vessels en route to a new world but the s c e s missions never stay routine for very long odd occurrences start happening all over the u s s da vinci compounded by the fact that none of their solutions for clearing the ships seems to be working soon the very nature of reality becomes endangered and soloman must interface with a powerful alien computer to keep the da vinci from falling victim to the sargasso sector

tensions between two planets in the rhaax system have abated to the point where the sides have agreed to disarmament the s c e crew on the u s s da vinci is sent along with a federation diplomat to act as weapons inspectors to make sure that the terms of the cease fire and disarmament are followed but soon the s c e learns that neither side has any intention of truly disarming and then tev p8 blue and soloman are captured by one side captain gold must find a way to rescue his crew and keep the peace before both planets explode

starfleet corps of engineers the s c e thought it would be a simple task a derelict vessel heading straight for the inhabited world of locra needs to be diverted to avoid catastrophe however the derelict isn t as easy to deflect as it would seem the s c e team must figure out how to operate the vessel before it crashes and destroys the locra civilization the derelict isn t the only thing on this mission with a secret and even as commander sonya gomez and her crack team try to unlock the secrets of the ship captain david gold must find out what the locra are hidingŠ spin

during the dominion war commander salek and lt commander duffy of the s c e dealt with a runaway vessel that was endangering a star system a mission from which salek did not return now a year later salek s and duffy s replacements commander gomez and lt commander tev are faced with the same runaway ship facing more than one ghost from the past can gomez and tev succeed where their predecessors failed

project ishtar a bold endeavor to terraform venus the most volatile planet in the solar system and the grandest achievement in the spectacular career of famed terraformer dr pascal saadya but when saadya hits a snag in the project he calls upon his old friend captain david gold of the u s s da vinci part of saadya s team is a bynar pair 1011 and 1110 who are using their species natural affinity for computers to increase efficiency saadya s hope is that they can

join forces with the da vinci s bynar pair but half of the bynar pair assigned to the s c e team on the da vinci was killed months ago leaving only soloman a non bonded bynar who is now a pariah in their culture saadya finds himself confronted not only with a failing project but with bynar prejudice as 1011 and 1110 treat soloman with nothing but contempt

starfleet corps of engineers the practical jokes aboard the holodeck re creation of the prototype vessel hyperion have taken a turn for the deadly the fail safes have been overridden and stevens tev and a shipload of cadets one of whom is probably responsible for their predicament are trapped inside commander gomez must help her crewmates solve the riddle find the culprit and free them all before more damage is done and people are killed creative couplings book 2 of 2
