imagine a land so vast it stretches beyond your wildest dreams every hallway every room every hidden
corner filled with the breathtaking artistry and incredible wisdom of its mysterious king this isn't just a story
about a building it's about a secret invitation not written on fancy paper or announced by trumpets but
subtly woven into everything around you a quiet constant dare to explore to question and to figure out where
you fit into this massive amazing design it's also the story of the people the souls who find themselves inside
these magnificent and sometimes scary halls faced with this silent call they each have to choose a path
while some search for the king by trying to understand the incredible world he's built around them others get
sidetracked disturbed by the questions of a soul that seeks meaning they numb their minds with momentary
diversions chasing only what they want in the moment and leaving no time for deeper thought as they listen
to the faint whispers of their own desires get ready for a journey that moves from the loud chaos of
distraction to the beautiful harmony of finding real purpose a quest of the heart searching for the true light it
was always meant to reflect
