biographic memoirs volume 84 contains the biographies of deceased members of the national academy

of sciences and bibliographies of their published works each biographical essay was written by a member of the academy familiar with the professional career of the deceased for historical and bibliographical purposes these volumes are worth returning to time and again

american national biography is the first new comprehensive biographical dictionary focused on american history to be published in seventy years produced under the auspices of the american council of learned societies the anb contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography the scope of the work is enormous from the earliest recorded european explorations to the very recent past

the book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index book jacket

this biography examines the life of a most unusual twentieth century evangelical kenneth l ken pike 1912 2000 who served with the wycliffe bible translators and the summer institute of linguistics pike began his missionary career as a bible translator but he went on to become a world class linguist who made his mark on the science of linguistics and the study of indigenous languages around the world known among linguists and anthropologists for his theoretical contributions this volume seeks to bring pike to a wider audience by illuminating his life as a key evangelical figure one who often broke with conventional evangelical constraints to pursue the life of the mind as a christian intellectual and scholar here is a story of how one evangelical christian man served the global church the scientific community and the world s indigenous peoples with his entire heart soul and mind

no detailed description available for morphology booi j et al 1 t l b d h s k 17 1 e book

includes entries for maps and atlases

kenneth pike s influence spread far and wide during the last half of the twentieth century the contributors to this volume are just a few of the thousands of scholars whose work was influenced

by pike s teaching and writing these essays will help younger scholars grasp something of his intellectual influence through his contribution to linguistics anthropology and many other disciplines long before the concept of endangered languages came into vogue in the 1990s pike was instilling in his students the importance of recording preserving and working to keep alive the thousands of unwritten languages spoken throughout the world pike s work with sil international took him to many parts of the world as a consultant and lecturer he worked with speakers of hundreds of indigenous languages as well as with sil field linguists studying those languages at the same time he interacted with scholars at international conferences and lectured at universities in many countries essays in this volume include papers by authors from at least ten countries and six disciplines readers of this volume will find a rich introduction to the life and philosophy of dr pike they will see how he considered all aspects of life language culture worldview religion and ways of thinking and learning to be a coherent whole they will also find the authors own comments as to how pike influenced and contributed to their lives and work

proceedings of the annual meeting of the society in v 1 11 1925 34 after 1934 they appear in its bulletin
