marketing the core 2 e by kerin berkowitz hartley and rudelius continues the tradition of cutting edge content and student friendliness set by marketing 8 e but in a shorter more accessible package the core distills marketing s 22 chapters down to 18 leaving instructors just the content they need to cover the essentials of marketing in a single semester instructors using the core also benefit from a full sized supplements package that surpasses anything offered by the competition while students will appreciate the easy to read paperback format that s equally kind to both the eyes and the pocketbook the core is more than just a baby kerin it combines great writing currency and

supplements into the ideal package for budget conscious students and time conscious professors

helps instructors to cover the essentials of marketing in a single semester quarter this work offers a supplements package it aims at budget conscious students and time conscious professors

marketing 10 e by kerin hartley and rudelius continues a tradition of leading the market with contemporary cutting edge content presented in a conversational student oriented style supported by the most comprehensive innovative and useful supplement package available this text and package is designed to meet the needs of a wide spectrum of faculty from the professor who just wants a good textbook and a few key supplements to the professor who wants a top notch fully integrated multimedia program marketing utilizes a unique innovative and effective pedagogical approach developed by the authors through the integration of their combined classroom college and university experiences the elements of this approach have been the foundation for each edition of marketing and serve as the core of the text and its supplements as they evolve and adapt to changes in student learning styles the growth of the marketing discipline and the development of new instructional technologies the distinctive features of the approach are illustrated below high engagement style easy to read interactive writing style that engages students through active learning techniques personalized marketing a vivid and accurate description of businesses marketing professionals and entrepreneurs through cases exercises and testimonials that allows students to personalize marketing and identify possible career interests marketing decision making the use of extended examples cases and videos involving people making marketing decisions integrated technology the use of powerful technical resources and learning solutions traditional and contemporary coverage comprehensive and integrated coverage of traditional and contemporary concepts rigorous framework a pedagogy based on the use of learning objectives learning reviews learning objectives reviews and supportive student supplements

kerin marketing the core provides students and instructors with a fresh and exciting introduction to marketing the fifth canadian edition builds on the strengths of the previous editions adding new elements that make the material even more interactive engaging and relevant marketing the core is designed so that students learn and enjoy learning about marketing it is current it is real it reflects marketing in canada

the fifth edition of marketing is the result of a detailed and rigorous developmental process designed to provide

customer value in several ways first we continue to use the active learning approach that has been the foundation of our previous editions second we have incorporated many new examples tools and design elements that are consistent with the learning styles for today s students third we have added deleted and modified topics and content based on our own expertise and the advice of many knowledgeable reviewers overall the fifth edition of marketing represents our efforts to guarantee the high quality of previous editions and to continue our tradition of growth and improvement

futurell s pragmatic approach pulled from his own experiences as a sales professional emphasizes real world approaches to selling global and non traditional selling situations like business to business and small business exchanges are featured along with coverage of the impact of new technologies including the internet on the selling environment new experiential exercises at the end of each chapter challenge the reader to apply the selling concepts just covered

new products management 7 e by Crawford and Di Benedetto provides future new product managers project managers and team leaders with a comprehensive overview of the new product development process including how to develop an effective development strategy manage cross functional teams across the organization generate and evaluate concepts manage the technical development of a product develop the marketing plan and manage the financial aspects of a project

taking a strategic perspective this text covers developments in retailing and reflects the changing job market with the centralization of the buying function and limited jobs for buyers topics covered include category management international sourcing decisions activity based costing quick response inventory systems and data based retailing there is a new chapter on electronic retailing and location and examples include international service retailers and small independent retailers

this is an applied text with a strong brand message most texts on the market teach functions but neglect integration and organization which should be the very foundation of marketing this text answers the questions of when to use how to use and who should be involved in the interrelated functions of marketing today this text also teaches the cost effectiveness of developing brand relationship managing the ongoing dialogue between buyer and seller and

how to truly integrate the consumer into business to business marketing vs business to consumer marketing b2b and b2c

readers who want a practical real world approach to sales force management that intentionally avoids models and theoretical detail will find what they're looking for here with strong coverage of the human factors in sales management such as motivation staffing and leadership as well as 42 case studies that features situations faced by real life sales managers this book's innovation advice is ideal for current and future sales managers alike

market leader casebook for advanced marketing course excellent mix of cases by industry students learn by active participation includes a new video package a new section on international and a new section on building a marketing plan cases reflect a broad overview of marketing and applications

this text has been developed in response to changing customer curriculum needs many instructors are looking for a concise text for this course one that offers a solid core for the course but allows time to add other topics materials etc
