This book builds on the themes discussed in the first two volumes in this series on education policy. It deepens these discussions by exploring the answers to questions regarding ensuring the longevity and sustained success of effective school reform.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in the Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873).

This review of the furious national debate over school choice examines the benefits of choice for children, families, and schools and shows how properly designed choice programs can prevent the harmful outcomes opponents fear.
