they say that we come from different planets men from mars women from venus that we have different brain chemistries and hormones and that we listen speak and even define our morals differently how is it then that men and women live together take the same classes in school eat the

same food read the same books and receive grades according to the same criteria in the gendered society michael s kimmel examines our basic beliefs about gender arguing that men and women are more alike than we have ever imagined kimmel begins his discussion by observing that all cultures share the notion that men and women are different and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes in fact he asserts that the reverse is true gender inequality causes the differences between men and women gender is not simply a quality inherent in each individual it is deeply embedded in society s fundamental institutions the family school and the workplace the issues surrounding gender are complex and in order to clarify them the author has included a review of the existing literature in related disciplines such as biology anthropology psychology and sociology finally with an eye towards the future kimmel offers readers a glimpse at gender relations in the next millennium well written well reasoned and authoritative the gendered society provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women

featuring a timely new chapter on gender and politics the fifth edition of the gendered society explores current thinking about gender both inside academia and in our everyday lives michael kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes both masculine and feminine perspectives kimmel makes three bold and persuasive statements about gender first he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon essential reading for both students and scholars the gendered society fifth edition is an authoritative incisive and lively statement about contemporary gender relations from one of the country s foremost thinkers on the subject

thoroughly updated throughout the fourth edition of the gendered society explores current thinking about gender both inside academia and in our everyday lives michael kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes

both masculine and feminine perspectives kimmel makes three bold and persuasive statements about gender first he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon essential reading for both students and scholars the gendered society is an authoritative incisive and lively statement about contemporary gender relations from one of the country's foremost thinkers on the subject

the battle between the sexes has raged on for centuries but are men and women really from different planets in the gendered society reader third edition coeditors michael s kimmel and amy aronson pull together an array of dynamic voices both male and female classic and contemporary to examine various interpretations of gender these lively in depth readings explore gender discourse over a wide range of disciplines focusing primarily on two central issues difference and domination carefully balanced to reflect the diversity of its subject this text addresses provocative and fundamental questions including how are males and females different what do these differences mean how do various cultures interpret gender why do societies continue to differentiate people on the basis of gender why is it that almost every known society is based on male domination the reader mirrors the intuitive structure of kimmel's companion volume the gendered society third edition the first sections are arranged by discipline presenting classic statements on theoretical perspectives and research inquiries the final sections examine the often fraught relationships between gender and education the workplace the body the family love and sex the celebrated contributors include margaret mead peggy reeves sanday joan acker judith lorber robert m sapolsky scott coltrane and many more thoughtfully updated with rich and timely new material the third edition also introduces a vibrant section on the media which features incisive explorations of video games and pornography a popular and now classic text the gendered society reader is both informative and entertaining it is required reading for students scholars and anyone curious about the fascinating study of gender

the battle between the sexes has raged on for centuries however are men and women really from different planets in the gendered society reader fourth edition coeditors michael kimmel and amy

aronsen pull together an array of dynamic voices both male and female classic and contemporary to examine various interpretations of gender these lively in depth readings explore gender discourse over a wide range of disciplines focusing primarily on two central issues difference and domination thoroughly updated with rich and timely new material the fourth edition features twenty one new selections including three essays in a new section on religion four new selections on gender and the media and a new article on non heterosexual families this edition is also supplemented by an instructor s manual test bank which includes discussion questions michael kimmel s textbook the gendered society fourth edition oup 2010 provides a perfect complement for classroom use

the sixth edition of the gendered society explores current thinking about gender both inside academia and in our everyday lives michael kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes both masculine and feminine perspectives kimmel makes three bold and persuasive statements about gender first he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon

this is a package of two of oxford s popular textbooks the gendered society and the gendered society reader the gendered society is a well reasoned authoritative and keenly animated statement about gender relations today written by one of the country s foremost thinkers on the subject kimmel s companion book the gendered society reader provides students with a sense of different discourses on gender that have been produced by a wide range of disciplines packed together these two texts are perfect for classroom use they are informative and entertaining for scholars students and the general reader

now in its second canadian edition the gendered society is an authoritative study of contemporary gender relations that challenges a common tendency to treat gender as an issue for women alone organized into three parts the text explores concepts of gender through a variety of disciplineswhile

discussing how gender permeates our everyday lives as a socially constructed phenomenon

this is the gendered society together with the gendered society reader

the adapter of the successful the gendered society reader branches out on her own to explore the intersections of gender and other important aspects of canadian society including race inequality sexuality indigeneity politics and the economy with brand new readings and engaging pedagogy this new book provides a uniquely canadian focus on the sociology of gender

this is an area that needs considerable research and this publication explores some of the key issues at stake

did the problems of people living in stuart england differ so significantly from those expressed in modern agony columns

gender is a socially constructed definition of women and men it is not the same as biological characteristics of women and men gender is determined by the conception of tasks functions and roles attributed to women and men in society and in public and private life the gender approaches distinct in that it focuses on women and men and not on women in isolation

written by the leading gender communication scholar this text introduces students to theories research and pragmatic information that demonstrate the multiple often interactive ways in which gender images of masculinity and femininity are shaped within contemporary culture

although the two intertwined at first the contributions of these settlement women to the development of the administrative state have been largely lost as the new field of public administration evolved from the research bureaus and diverged from social work camilla stivers now shows how public administration came to be dominated not just by science and business but also by masculinity calling into question much that is taken for granted about the profession and creating an alternative vision of public service

with chapters on feminism and the public private distinction reason and feeling in thinking about justice the domestication of violence in mediation women and fathers and licensing parents this provides comprehensive coverage of family law

by incorporating voices from history that have too long been lost in the din of tradition especially the voices of native americans and blacks women and laborers kansas and the west provides a provocative and much needed new view of the state s past
