information and communication technology ict has emerged as an ideal platform for imparting knowledge to a vast majority of people living in a pluralistic society the book covers a wide range of areas of social importance such as community radio telemedicine educational television e governance village resource centres media freedom and e content the author gives a developmental thrust to the field of information and communication technology the book will be of great use to members of civil society journalists community media practitioners media academics and development planners in india in particular and developing countries in general back cover

in a village goes mobile sirpa tenhunen examines how the mobile telephone has contributed to social change in rural india tenhunen s long term ethnographic fieldwork in west bengal began before the village had a phone system in place and continued through

the introduction and proliferation of the smartphone she here analyzes how mobile telephones emerged as multidimensional objects which in addition to enabling telephone conversations facilitated status aspirations internet access and entertainment practices she explores how this multifaceted use of mobile phones has affected agency and power dynamics in economic political and social relationships and how these new social constellations relate to culture and development in eight chapters tenhunen asks such questions as who benefits from mobile telephony and how can people use mobile phones to change their lives or does phone use merely amplify existing social patterns and power relationships can mobile telephony induce development going beyond the case of west bengal tenhunen develops a framework to understand how new media mediates social processes within interrelated social spheres and local hierarchies by relating media saturated forms of interaction to pre existing contexts

a unique study of rural administration in the ottoman empire that explores the relationship between palestinian peasants and ottoman provincial officials around jerusalem in the mid sixteenth century

set in sagramanda a city of one hundred million this is the story of taneer a scientist who has absconded with his multinational corporation s secret project code and who is now on the run from both the company and his father depahli the fabulously beautiful woman from the untouchable class would die for him just as surely as his father would like to kill him for shaming his very traditional family with such a relationship chalcedony chal schneemann doesn t want to kill taneer if he doesn t have to but it wouldn t upset him terribly much if it came to that and he ll stop at nothing to recover the stolen property from the company that pays him very very well to solve big problems discreetly and quickly sanjay ghosh a poor farmer turned merchant in the big city of sagramanda would like to help taneer unload his stolen items for the thirty million dollars his 3 percent fee is worth jena chalmette the crazy french woman pledged to kali simply wants to kill for the glory of her god and she s very good at it chief inspector keshu singh would like to put this sword wielding serial killer away as quickly as possible before the media gets ahold of the story then there s a man eating tiger that s come in from the nearby jungle reserve just looking for his next meal

popular representations of pakistan s north west frontier have long featured simplistic images of tribal blood feuds fanatical religion and the seclusion of women the rise to power of the radical taliban regime in neighbouring afghanistan enhanced the region s reputation as a place of anti western militancy magnus marsden is an anthropologist who has immersed himself in the lives of the frontier s villagers for more than ten years his evocative study of the chitral region challenges all these stereotypes through an

exploration of the everyday experiences of both men and women he shows that the life of a good muslim in chitral is above all a mindful life enhanced by the creative force of poetry dancing and critical debate challenging much that has been assumed about the muslim world this 2005 study makes a powerful contribution to the understanding of religion and politics both within and beyond the muslim societies of southern asia
